

2019-2020 SCHOOL YEAR - SUMMA APPLICATION

-APPLICATION DEADLINE-

MUST BE RECEIVED BY THE
OFFICE OF TAG SERVICES BY:

4:00 p.m.
December 7, 2018

All qualified Summa students are offered placement in the program. Students will be placed in the Summa site designated for their school boundary. If there are more qualified students than space available at a site, a lottery will be held to determine the students assigned to that site. Parents of Summa qualified same-age siblings/step siblings have the choice of linking their children so that if a lottery is necessary, they are both assigned to the same school. Summa qualified siblings of students currently enrolled at a Summa site will be given priority at that site.

Applications MUST include a letter of eligibility OR test scores.
