Agenda Item C-1 July 10, 2017 School Board Meeting

AGENDA ITEM:	Superintendent's Report
MEETING DATE:	<u>July 10, 2017</u>
SUGGESTED DISPOSITION:	Information Item
CONTACT PERSON(S):	Dr. Wayne Kazmierczak, Superintendent

BACKGROUND:

Dr. Kazmierczak will provide information on current issues and events pertaining to the White Bear Lake Area Schools.

D. DISCUSSION ITEMS

Agenda Item E-1 July 10, 2017 School Board Meeting

AGENDA ITEM:	Action on Operating Levy Renewal Parameters
MEETING DATE:	<u>July 10, 2017</u>
SUGGESTED DISPOSITION:	Operations Item
CONTACT PERSON(S):	<u>Dr. Wayne A. Kazmierczak, Superintendent</u> <u>Tim Wald, Assistant Superintendent for Finance and Operations</u>

BACKGROUND:

At the June 12, 2017 School Board meeting, District administration was directed to develop parameters for an operating levy renewal question to be discussed at the July 10, 2017 work-study meeting and acted upon at the July 10, 2017 regular meeting. The parameters include:

- <u>Amount per pupil</u>: \$1,545.31 per pupil unit. This amount represents a renewal of the existing operating levy amount with no increase.
- <u>Annual inflation adjustment</u>: The current operating levy is annually adjusted by an inflation factor as determined by the Minnesota Department of Education; the proposed operating levy would maintain this annual adjustment.
- **Length of levy**: The existing operating levy was approved for a period of 6 years, the renewal will be sought for 10 years.
- <u>**Tax impact**</u>: No tax increase is projected as the current tax rate is maintained.

Local operating levies are an essential source of revenue for Minnesota schools as more than 99% of the state's school districts receive operating levy referendum revenue. The communities that comprise White Bear Lake Area Schools have supported this source of funding in the past. The existing operating levy was originally approved in November 2007 with over 63% of voters supporting the measure. The operating levy was renewed in November 2011 with 73% of voters showing support. The operating levy is set to expire following the 2018-2019 school year.

At the August 14, 2017 School Board meeting, the School Board will take action to call the election. Election day is November 7, 2017.

(Note that all financial parameters, including the tax impact, were compiled by the District's financial advisors, Ehlers & Associates.)

RECOMMENDATION:

<u>Recommended Action</u>: Move to authorize District administration to finalize preparations for calling the election for an operating levy renewal with the following parameters: \$1,545.31 per pupil for 10 years with an annual inflationary adjustment.

Agenda Item E-2 July 10, 2017 School Board Meeting

AGENDA ITEM:	Action on 10-Year Long-Term Facility Maintenance Plan
MEETING DATE:	<u>July 10, 2017</u>
SUGGESTED DISPOSITION:	Operational Item
CONTACT PERSON(S):	Dr. Wayne A. Kazmierczak, Superintendent and Tim Wald, Assistant Superintendent for Finance and Operations

BACKGROUND:

During the 2015 legislative session, a Long-Term Facilities Maintenance (LTFM) Revenue Program was established for school districts, intermediate districts, other cooperatives, and charter schools. This program replaced the Health and Safety Revenue, Deferred Maintenance Revenue, and Alternative Facilities Bonding and Levy programs beginning in fiscal year 2017. Revenue increases for school districts not previously eligible to participate in the Alternative Facilities Bonding and Levy program and for charter schools are being phased-in over three years from fiscal year 2017 through fiscal year 2019. Revenue equaled \$193 per adjusted pupil unit for fiscal year 2017, \$292 for fiscal year 2018, and \$380 for fiscal year 2019. White Bear Lake Area Schools is one of the 25 school districts that previously qualified for the Alternative Facilities Bonding and Levy program; White Bear Lake now participates in the LTFM program, although a hold-harmless provision ensures that revenue received under the new program will not be less than that received under the previous Alternative Facilities Bonding and Levy program.

Attached please find the District's 10-Year Long-Term Facility Maintenance (LTFM) expenditure and revenue plans as well as a more detailed planning document that breaks down the next several fiscal years. District staff worked with Ehlers, Inc., its financial advisors, to determine a revenue plan for the coming years. The plan assumes the issuance of \$15 million in LTFM bonds and a phase-in of pay-as-you-go funding.

<u>RECOMMENDED ACTION</u>:

Approve the 10-year Long-Term Facility Maintenance Plan as presented.

Agenda Item E-6 July 10, 2017 School Board Meeting

AGENDA ITEM:	Update Appointment of Compliance Officer
MEETING DATE:	<u>July 10, 2017</u>
SUGGESTED DISPOSITION:	Operational Item
CONTACT PERSON(S):	<u>Dr. Wayne Kazmierczak, Superintendent</u>

BACKGROUND:

Each November the administration certifies to the Minnesota Department of Education that we are in compliance with federal laws and regulations and state laws and rules prohibiting discrimination. With the retirement of Linda Goers in July of 2017, we would like to have the School Board approve Mitch Cooper, Director of Human Resources, as the District Human Rights Officer.

Some of our policies specifically state that a legal responsibility for receiving complaints is assigned to a position, (e.g., the director of human resources). Other policies require that the School Board "annually designate the person" to whom the responsibility is assigned.

To remove ambiguity and assure compliance in all of our policies we are asking the School Board to take action on the following appointment:

District Human Rights Officer: Mitch Cooper Director of Human Resources White Bear Lake Area Public Schools 4855 Bloom Avenue White Bear Lake, MN 55110

RECOMMENDATION:

Approve the appointment of Mitch Cooper, Director of Human Resources, as the District Human Rights Officer, replacing Linda Goers.

Agenda Item E-7 July 10, 2017 School Board Meeting

AGENDA ITEM:	<u>Proposed 2017-18 Salary Rates</u> For Non-Affiliated Employees
MEETING DATE:	<u>July 10, 2017</u>
SUGGESTED DISPOSITION:	Operational Item
CONTACT PERSON(S):	Linda Goers, Outgoing Director of Human Resources Mitch Cooper, Director of Human Resources

BACKGROUND:

The District has approximately 50 employees that are not associated with any bargaining groups recognized by the Bureau of Mediation. These individuals are, for the most part, professional employees.

We are recommending a 2% increase to salary for these employees.

Linda Goers will be available to answer questions.

RECOMMENDATION:

Approve the proposed salaries and/or salary rates for the District's non-affiliated employees.

210 CONFLICT OF INTEREST - SCHOOL BOARD MEMBERS

I. PURPOSE

The purpose of this policy is to observe state statutes regarding conflict of interest and to engage in school district business activities in a fashion designed to avoid any conflict of interest or the appearance of impropriety.

II. GENERAL STATEMENT OF POLICY

It is the policy of the school board to contract for goods and services in conformance with statutory conflict of interest laws and in a manner that will avoid any conflict of interest or the appearance thereof. Accordingly, the school board will contract under the statutory exception provisions only when it is clearly in the best interest of the school district because of limitations that may exist on goods or services otherwise available to the school district.

III. GENERAL PROHIBITIONS AND RECOGNIZED STATUTORY EXCEPTIONS

- A. A school board member who is authorized to take part in any manner in making any sale, lease, or contract in his or her official capacity shall not voluntarily have a personal financial interest in that sale, lease, or contract or personally benefit financially therefrom.
- B. In the following circumstances, however, the school board may as an exception, by unanimous vote, contract for goods or services with a school board member of the school district:
 - 1. In the designation of a bank or savings association, in which a school board member is interested, as an authorized depository for school district funds and as a source of borrowing, provided such deposited funds are protected in accordance with Minn. Stat. Ch. 118A. Any school board member having said interest shall disclose that interest and the interest shall be entered upon the minutes of the school board. Disclosure must be made when such bank or savings association is first designated as a depository or source of borrowing, or when such school board member is elected, whichever is later. Disclosure serves as notice of the interest and must only be made once;
 - 2. The designation of an official newspaper, or publication of official matters therein, in which the school board member is interested when it is the

only newspaper complying with statutory requirements relating to the designation or publication;

- 3. A contract with a cooperative association of which the school board member is a shareholder or stockholder but not an officer or manager;
- 4. A contract for which competitive bids are not required by law; A contract made under this exception will be void unless the following procedures are observed:
 - a. The school board must authorize the contract in advance of its performance by adopting a resolution setting out the essential facts and determining that the contract price is as low as or lower than the price at which the goods or services could be obtained elsewhere.
 - b. In the case of an emergency when the contract cannot be authorized in advance, payment of the claims must be authorized by a like resolution wherein the facts of the emergency are also stated.
 - c. Before a claim is paid, the interested school board member must file with the clerk of the school board an affidavit stating:
 - (1) The name of the school board member and the office held;
 - (2) An itemization of the goods or services furnished;
 - (3) The contract price;
 - (4) The reasonable value;
 - (5) The interest of the school board member in the contract; and
 - (6) That to the best of the school board member's knowledge and belief, the contract price is as low as, or lower than, the price at which the goods or services could be obtained from other sources.
- 5. A school board member may rent space in a public facility at a rate commensurate with that paid by other members of the public.
- C. In the following circumstances, the school board may as an exception, by majority vote at a meeting where all school board members are present, contract for services with a school board member of the school district: A school board member may be newly employed or may continue to be employed by the school district as an employee where there is a reasonable expectation on July 1, or at the time the contract is entered into or extended, that the amount to be earned by that school board member under that contract or employment relationship, will not exceed \$8,000 in that fiscal year. If the school board member does not receive majority approval to be initially employed or to continue in employment at a

meeting where all school board members are present, that employment must be immediately terminated and that school board member will have no further rights to employment while serving as a school board member in the school district.

D. The school board may contract with a class of school district employees, such as teachers or custodians, where the spouse of a school board member is a member of the class of employees contracting with the school board and the employee spouse receives no special monetary or other benefit that is substantially different from the benefits that other members of the class receive under the employment contract. In order for the school board to invoke this exception, it must have a majority of disinterested school board members vote to approve the contract, direct the school board member spouse to abstain from voting to approve the contract, and publicly set out the essential facts of the contract at the meeting where the contract is approved.

IV. LIMITATIONS ON RELATED EMPLOYEES

- A. The school board can hire or dismiss teachers only at duly called meetings. Where a husband and wife, brother and sister, or two brothers, or two sisters, siblings sit on the board as voting members constitute a quorum, no contract employing a teacher may be made or authorized except upon the unanimous vote of the full school board.
- B. The school board may not employ any teacher related by blood or marriage to a school board member, within the fourth degree, as computed by the civil law, except by a unanimous vote of the full school board.

V. CONFLICTS PRIOR TO TAKING OFFICE

A school board member with personal financial interest in a sale, lease, or contract with the school district which was entered before the school board member took office and presents an actual or potential conflict of interest, shall immediately notify the school board of such interest. It shall thereafter be the responsibility of the school board member to refrain from participating in any action relating to the sale, lease, or contract. At the time of renewal of any such sale, lease, or contract, the school board may enter into or renew such sale, lease, or contract only if it falls within one of the enumerated exceptions for contracts relating to goods or services provided above and if the procedures provided in this policy are followed.

VI. DETERMINATION AS TO WHETHER A CONFLICT OF INTEREST EXISTS

The determination as to whether a conflict of interest exists is to be made by the school board. Any school board member who has an actual or potential conflict shall notify the school board of such conflict immediately. The school board member shall thereafter cooperate with the school board as necessary for the school board to make its determination.
