Concept Straw Poll:

Thursday, June 20, 6:30 p.m., SPHS Auditorium

⇒ After years of work we are preparing for a **Concept Straw Poll on June 20th** at 6:30 p.m. in the South Portland High School Auditorium as the next step in the state mandated process for our state approved and funded Middle School Project.

⇒ Prior to the Concept Straw Poll, there will be two informational meetings on the concept design for the South Portland Middle School Project:

- Tuesday, June 11 at Memorial, 7:00-8:00 p.m.
- Wednesday, June 12 at Mahoney, 7:00-8:00 p.m.

For more than fifteen years South Portland has been developing plans to address the needs of its aging middle schools. The concept design developed for a new combined grade 5-8 middle school has been based on detailed analysis following the state's guidelines, educational needs, comparative cost data, building committee analysis, and community input. We are putting forward a plan that we believe will serve the needs of all South Portland students for decades to come.

Come to the information meetings and Concept Straw Poll to learn more about key educational and sustainability features of this exciting project.
