

What is FinalForms? Why is Hoban using it?

FinalForms is the system Hoban uses to collect and manage information related to academic, medical, and athletic paperwork. FinalForms will reduce and/or eliminate redundant information and paperwork requests to families.

My child does not intend to participate in Hoban athletics. Do I still have to complete FinalForms?

Effective with the 2019/2020 academic year, FinalForms will be used for mandatory Emergency Medical Authorization paperwork for all Hoban students, even non-athletes.

My child intends to participate in Hoban athletics? What else do I need to know?

For student athletes, FinalForms will generate the OHSAA Preparticipation Form, which must be printed, signed by a physician, and returned to the athletic office prior to participation in any athletic practice or competition. This is especially important for fall sports athletes, since most teams begin preseason training in the summer. All student athletes should be encouraged to submit a completed OHSAA Preparticipation Form prior to the first day of school.
