Community Council dates: March 15th, April 19th, May 17th

March 27th Kim Johnston and any members that would like to go can meet to get School Improvement plan finished. Let Kim know if you are going by Friday March 1st.

Assessed data from last year's SAGE and CRT scores to help write goals.

Looked at School Improvement Plan for the 2018-2019 school year

Looked at goals for math

Using Go Math Curriculum

Trying to get it for 3 years with training

Kinder – 6th will have it for next year.

Looked at goals for language arts

Will continue to have teaching assistance come in for small group.

Looked at attendance but decided that a goal was not needed due to absents being lower than district average

Discussed how refresh with work for the next 4 years

We will have 85% or student ratio in devices by the end of 4 years

Look at chart made by Andrew (STS)

Do we want Chromebook or wait to hear from district on alternative machine?

Discussed Project Lead the Way

Book for teacher professional development for the 2018-2019 school year

Bold Schools

Discussed how the money allocated for each goal is used.
