- **Safety in Parking Lot**

- How do we encourage parents to go through the loop?
- Decision to use District funds to paint the NW and SW crosswalk
- Kim will check with District about engaging parents and kids in painting the crosswalks

- **Trust Funds: More money than we thought**

- Teacher's assistant for 2 hours per day (\$18.50 per hr) @ 23 weeks left in school year
- \$2241 per aid = \$6696.36 - 4th grade
- \$2241 per aid = \$4482.24 1st grade
- Propose \$11,482 from extra trust funds to hire this aid to help
- 4th grade has more at risk kids than any other class in the school
- Spectrum kids - GATE - are also Special Ed with need for support (twice exceptional)

- **Demographics changing at the school**

- More parents needing to work and less volunteering in the classroom
- Parent volunteers do not help with testing

- **Follow up with Elections**

- Amendment B approved: more than just interest and dividends → earnings
- Bears Ears Monument → School Trust Lands
  - With Grand Staircase Utah lost a lot of land that generates funds
  - Bears Ears would confiscate even more land from Utah School Land Trust
  - PLI Plan - swapping state land for federal land
  - Stay informed about the lands and advocate for strategies to keep our funds

- **Digital Responsibility**

- NetSmarts Assembly - Inform Students
  - Parent Awareness Night
  - SchoolTrustlands.org
  - [utahpta.org/netsafety](http://utahpta.org/netsafety)
  - 1 in 5 children received a sexual invite in the last year
  - Only 20% who encountered it told a parent
  - 89% of children have had some form of negative online experience
  - Snapchat is #1 porn site for all kids in the world
- 
- **6) Radon testing**
    - High levels in our area. We can check at the school and encourage other parents to get checked
    - for free through Davis County Health Department 801.525.5128
  - **Next Meeting: Jan 19, 2017 at 5pm**
