

Dear Mustangs,

I hope that this letter finds all of you having a restful and enjoyable summer vacation. The purpose of this letter is to invite you to our two-day mini-camp, which will be held on Wednesday, July 31 and Thursday, Aug. 1. This is an opportunity for you to become familiar with our system both offensively and defensively, our coaches, and our facilities. The camp is not mandatory, but it is a chance to get a head start on preparations for the 2019 football season. This opportunity to work with the bulk of our coaching staff will hasten your understanding of our system and enhance your chances of success within it. We are shortening this camp and holding it earlier than we have in the past, as UIL has allowed freshman to begin their high school training a week earlier for teams who participated with their upperclassmen in spring training. Consequently, our first mandatory practice for the incoming freshman class will be on Monday, August 5.

The camp will consist of 2 mornings from 8:00am to 10:30am. These sessions will include position and team fundamentals on both offense and defense. We will also have some athletic competitions.

It will be necessary for you to bring shoes (cleats, we will be on grass), shorts and t-shirt. Below you will find a general outline of the workouts and times. Although some rest time will be provided, you will be finished by 10:30am and therefore a long lunch break will not be necessary.

In the unlikely event that someone is injured and needs emergency treatment, we have included consent to treat and registration forms so that we are able to handle any unforeseen medical situations. Please have your parents fill these out and return them on July 31. We are looking forward to working with you at this camp and during your years at Memorial High School.

We will be working on the practice fields adjacent to the field house parking lot and baseball stadium, across the street, east of the main school building.

If you have any questions concerning the camp or athletics, please feel free to call me at 713-251-2745 or email [gary.koch@springbranchisd.com](mailto:gary.koch@springbranchisd.com).

Sincerely,

Gary Koch  
Head Football Coach  
Campus Athletic Director  
Memorial High School

Wednesday, July 31

7:30am registration

8:00am on the field

10:00am off

Thursday, August 1, start time 8:00am, workout schedule the same as above.

P.S. To participate in football this year you will need a physical dated on or after 4/1/19. This physical must be filled out on a UIL form. The physical form can be found on the SBISD web site. All other necessary forms can be filled out on-line via Rank-One student athletic management system. The most current physical is not necessary to participate in this camp if you participated at one of the feeder Spring Branch Middle Schools.
