ECFE FAQs

When do ECFE classes start and end?

School Year-long Classes begin on Sept. 5 and run through May 8. This aligns with the school district calendar for non-school days. Registrations are accepted year round based on availability and fees are pro-rated.

10-Week Sessions are scheduled in three segments though the school year. They align with the school district calendar for non-school days. There are new 10-week classes that start in September, November, and February.

What is the difference between 10-week and school year-long classes? ECFE classes run in two separate schedules to give your family flexibility. The school year-long schedule allows the same group of families to stay together for the full school year. The 10-week schedule allows increased flexibility for your calendar. Both the 10-week and school year-long classes will cover similar topics and lessons.

Can I take more than one 10-week class? Yes, you can sign up for one or all three in a school year. Class content and topics will vary based on class attendees. Please note, some content may repeat.

What is the difference between a non-separating, gradual separating, and separating class? In a non-separating class, parents stay with their children for the entire class. In gradual separating, there is a transition from parent/child time to separate time over the course of the class. Our separating classes include some parent discussion time held in a separate room.

Where are classes held? All ECFE classes (except Preschool Sampler) are held at the Education Center at 8040 Mitchell Road, Eden Prairie.

What resources are available for children with special needs? Early Childhood and Family Education classes are inclusive of all children and families. Our program staff have strong collaborations with Early Childhood Special Education and work together as a team, including parents, to best meet the learning and developmental needs of all children in our classes.

How much do ECFE classes cost? The cost of classes are based on the sliding fee scale below. They are designed to be affordable for all families to attend.

Sliding Fee Scale for ECFE Classes

LITTLE EAGLES PRESCHOOL

WHY CHOOSE FULL-DAY PRESCHOOL?

Full-day Preschool provides daily developmentally appropriate experiences for children. Academics are embedded in programming throughout the day with both morning and afternoon structured learning. We believe in the importance of play! Preschoolers learn through exploration, dramatic play, and creative expression.

Each classroom is capped at 20 students. There is one teacher and two paras in our four year old classrooms and two teachers and two paras in our three year old classrooms.

All of our full-day preschool teachers are Early Childhood licensed and CPR and First Aid Certified.

No matter what classroom your child is in, they will find a similar environment with the same learning areas included. Each has a smartboard with a large group area, block area, creative arts area, dramatic play area, sensory table and a reading nook. They also have a writing center and a science exploration area.

It is appropriate for children at this age to engage in large motor activities on a regular basis, so our students visit the motor room and/or outdoor playground at least twice a day. Our indoor motor room is unique to the Education Center and provides a great indoor play place for students to move their bodies year round. With a variety of climbing and tumbling mats, tricycles, balls and basketball hoops, students are sure to burn off their excess energy doing what they love.

PRESCHOOL FAQs

Can I take a tour?

Yes! Call 952-975-6940 or email ComEd@edenpr.org to make an appointment to view the school and learn more about Little Eagles Preschool.

Preschool classes are held at:

HALF-DAY PRESCHOOL

Lower Campus - 8100 School Road, Door #1B

FULL-DAY PRESCHOOL

Education Center - 8040 Mitchell Road

What options are available for parent involvement in preschool?

All Little Eagles Preschool classes have opportunities for parents to be actively involved by volunteering, participating in field trips, and attending the parent days. Parent days are offered during the year. These days are a unique opportunity for you to see your child's class in action and also to network and learn with other parents.

Why are there no two-day preschool options?

Best practices show preschool has the biggest impact when children attend for four and five days; so, we have added more four- and five-day preschool options for both three and four-year-olds. There are lasting benefits from quality preschool education; more hours in the preschool classroom now will help them be better prepared for full-day kindergarten.

Is transportation available?

Lower Campus: Busing may be available for half-day preschool based on qualifying factors.

Cedar Ridge: For half-day preschool, busing is available for all children living within the Eden Prairie School District boundary.

Are special education resources available?

Eden Prairie Schools Community Education works with children of all abilities. Our staff work with enrolled families to provide reasonable accommodations as needed for each child. The goal for all children is to have independent, meaningful participation in the program. All children participating in programming must consistently demonstrate the ability to follow adult direction, show readiness for large group activities, including the ability to remain with the group, and follow safety rules.

Children need to meet state eligibility criteria in order to receive Early Childhood Special Education services. Questions and concerns regarding your child's development are welcomed. For additional information, contact the Early Childhood Special Education Office at 952-975-6979.

Does my child need to be toilet trained?

Children must be 100% toilet trained before entering preschool; meaning they have the ability to identify and verbalize the urge to use the restroom in a timely manner, the ability to manage all self-help/toileting skills independently, and the ability to manage rest time without a pull-up.

What if my child wasn't 3 by Sept. 1, 2019? Are there other preschool options for them?

Our ECFE program has an option for children who will turn 3 during the school year.

PRESCHOOL SAMPLER

This class is designed for the children to ease into the world of preschool. Children will "practice" preschool during this drop-off class. Students will strengthen their independence and will be ready to soar as a Little Eagle into preschool! **Preschool Sampler is held at the Lower Campus.**

Financial assistance is available for full-day preschool through the county you live in for families who qualify. Learn more at www.edenpr.org/feeassistance.

For half-day preschool, fee assistance is available based on financial need or family factors. As you register online, you will be asked a series of questions to indicate if financial assistance is needed.
