Intern

South Burlington, VT

For my masters in school counseling, I completed 600 hours of internship with a licensed school counselor. I have had the pleasure to teach classes, run groups on social/emotional skill building, and work individually with students who may need some extra support. This experience has given me more tools to work in the school counseling field as well as acknowledge what strengths I bring to the table as well as some things I need to work on.

Good morning, gentlemen,

This is a bittersweet message, to be sure. I would like to formally inform you both that all meetings in Barnet yesterday went forward with positive news for me. Naturally, I am excited by the opportunity to help in the ressurection of my hometown school. That being said, Barre City is not an easy place to leave and it pains me greatly to have to do so.

Barre City Middle School is a special place. My teammates and colleagues are incredible people who have created something amazing, something worth treasuring. I am grateful for the time I have had here and will sorely miss this school.

Thank you, Amanda Babcock

Dear John,

Please consider this letter my official request to be released from my Letter of Intent for the 2019-2020 school year. As you know, I have accepted the principal position at Doty Memorial Elementary School.

I would like to retain my keys and access to the BCEMS building until June 28. It is very important to me that I don't "leave" before I "finish." I think that would send a bad message to the students. I would like to be able to clean out my classroom after the students have left.

I have had a wonderful run at Barre City Middle School and will forever treasure the learning and friendships I have gained here. There is much that is good in the middle school and I'm sure that great things will continue to happen here.

> All my best, Gillian

June 3, 2019

Dear Barre City School Board,

Our first year working together as your principals has been a deeply enlightening and richly rewarding one. You may recall that we submitted an Entry Plan to all of you at the beginning of the year focused on relationship building and information gathering, and the year has provided us with ample opportunity for both! With a successful year under our belts, we have had so many chances to connect with each other to think about and plan for the vision we have for our school -- building upon our many successes and learning from the clear areas of growth and need we all face.

The most obvious and pressing need our teachers and children face is the ever growing numbers of families in our community dealing with trauma in their lives. This trauma is impacting virtually every aspect of our children's educational experience, and, candidly, we are too often struggling to meet the most traumatized families' day to day needs. In this regard, our community is certainly not alone! We believe, however, that our faculty and staff are uniquely qualified to meet these challenges! We have happily discovered that the faculty and staff serving our children here at BCEMS are incredibly compassionate, kind, and resourceful. There is no "quit" in these people, and you should know that your two principals are cut from the same cloth. We are in this for the long haul, and we truly love working as the educational leaders of Barre City.

## A Few Updates

Hiring season is still going strong, and we have many new hires to celebrate! That said, there are still a number of open positions as of this writing, but we are very excited about the quality of applicants we are getting and the new opportunities that come with bringing new people on board. We can say with confidence that the candidates being brought before you are highly qualified professionals who are excited to join our learning community!

Congratulations to the BCEMS Marching Band and Director **Morgan Osinaga** for their outstanding performance at this year's Barre Memorial Day Parade on May 31! The

weather was perfect and a nice crowd honored our veterans while listening to patriotic songs performed by musicians from all three schools. It was a solemn but celebratory ceremony, and our students represented Barre City with honor.

**Melinda Schmalz**, a member of the Barre Supervisory Unions' early childhood special education team, who was honored by the Vermont Council of Special Education Administrators (VCSEA), during a brief ceremony at Barre Town Middle and Elementary School last week. **Melinda** works in the shared early pre-k program which supports both Barre Town and Barre City students. She is the latest recipient of the Vermont Council of Special Educators Association's "Golden Apple Award," which recognizes "exemplary effort and achievement on behalf of Vermont children." Congratulations **Melinda**!

## **Professional Development**

We are excited to announce that the Elementary School will be starting the Trauma Sensitive Schools program in partnership with <u>Origins</u> this summer. Similar to the Developmental Designs program that has been so successful in the middle school, TSS takes a similar approach to relationship building and accountability with a focus on age appropriate practices at the elementary level.

As mentioned above, Developmental Designs has been a huge success with our middle school faculty, staff, and students. We are excited to work closely with our friends at <u>Origins</u> next year in taking our work with DD to the next level! For veteran faculty, we will be taking the next course in the DD framework during the year, while new teachers will be participating in the introductory tenets of DD. Our goal is to have a consistent, fair, and clearly understood framework for creating a healthy school community for all staff and students in K-8. Very exciting!

We are aiming for an engaging and celebratory end to the year for all of our community members, and we would welcome your participation in the variety of events that are coming up. Mark your calendars -- the BCEMS 8th Grade Celebration will be held on **Thursday, June 20** at the Barre Auditorium. We hope to see you there!

Respectfully,

Hayden and Chris

#### 5. New Business

#### 5.1 Discussion of Multi-Year Plan

A document titled 'Barre Unified Union School District 5-Year Facility Draft Plan' (dated 05/14/19). It was noted that the work listed under each year, is work that will be performed over the summer of the list year. Mr. Evans provided an overview of the document, advising that the document is a work in progress and will continue to be amended.

Roofing Work – BCEMS will have substantial roof repair/replacement this summer. BTMES is also slated for roof repair/replacement. The SHS roof is in good condition and no work in currently slated (through 2022).

SHS Auditorium – A comprehensive study was performed and this project is anticipated to be very costly. There are many different aspects to the project.

Air Conditioning – BCEMS has very limited air conditioning and there is currently no air conditioning work planned in the next 5 years. BTMES has a large amount of air conditioning and work is slated for each of the 5 years. SHS has no air conditioning.

Bleachers – BCEMS bleachers are in good shape. BTMES bleachers, though structurally sound, do not meet new safety regulations and are slated for replacement in the summer of 2020. SHS bleachers are relatively new and are inspected annually.

Exterior Wall Siding (Composite) – The exterior composite wall siding at BCEMS is failing and will need to be addressed. Problems stem from moisture issues. The composite siding will be removed and something different will be installed.

Door Replacement – BCEMS currently has no doors that require replacement. BTMES has many exterior doors that need replacement. Mr. Evans anticipates replacing a few doors each year. SHS does not have many doors that require replacement. The next doors to be replaced at SHS are the exterior auditorium doors.

Boiler Updates – BCEMS has no anticipated boiler work. BTMES is due for preventative/routine maintenance. SHS will have a few repairs performed this summer.

Victalic Fitting Work – Victalic fittings at BCEMS have been failing and repairs and replacement of the fittings is being performed in an effort to avoid future leaks. BTMES does not have any issues with victalic fittings. SHS has some issues and some of the fittings will need replacement.

Bus Loops – BCEMS is working on redesigning the bus loop. Drawings have been drafted and will need to be finalized. The redesign of the BCEMS bus loop will need to be performed in two phases. Phase two involves removing the sidewalk. This project is anticipated to cost between \$40,000 and \$50,000. There are some safety concerns relating to the BTMES bus loop. Some conceptual drawings have been drafted. SHS does not have a bus loop.

Fire Alarm Panels – BCEMS – no action is anticipated. BTMES – the fire alarm panel was replaced one or two years ago, so no work is anticipated. SHS – Mr. Evans will be seeking bids for replacement of the panel only.

Building Safety – Each school has \$5,000 budgeted annually for safety upgrades. There is a \$10,000 yearly grant that is rotated amongst the schools. BTMES will be the recipient in the summer of 2019 (BCEMS in 2020 and SHS in 2021).

Canopy Repair – BTMES repairs will occur this summer. An engineer has tested the integrity of the columns, and advised that they are structurally sound but are in need of repair. Mr. Evans is in the process of obtaining bids. Sidewalk replacement may be performed at the same time as canopy repairs, but is contingent on cost. A test dig (to assess what is underneath the current sidewalk) is slated for this Friday. Mr. Evans hopes to have canopy bids available for next Thursday's BSU/BUUSD meeting.

In response to a query, Mr. Evans advised that all kitchens, (including equipment) are in good shape. Routine repairs/maintenance is ongoing.

# DRAFT

Central Office – Mr. Evans is currently working with the City of Barre, working on a deal that may include exchanging top soil for labor and stone/gravel that is necessary for creating parking space in the rear of the building. The Central Office maintenance budget is \$20,000 per year.

The BCEMS fund balance will be exhausted with the roof repairs. BTMES has pretty much used all of theirs at this point.

The industry standard for maintenance/construction budgets is \$1 per square foot. \$. 80 cents per square foot is in the FY20 budget. Mr. Evans advised that in the past, SHS has budgeted \$1 per square foot and has been able to make many improvements and upgrades to keep the building in very good shape.

It was noted that BCEMS is not currently slated to perform any library renovations.

In response to a query from Mr. Boltin, BCEMS administrators advised that they are satisfied with the plan as presented.

#### 5.2 Barre City School Tour

This Agenda Item was addressed out of order (the tour commenced at 6:55 p.m. - after the closing of the meeting).

#### 5.3 Lead Testing

Three documents were distributed; two letters from Daniel French, Ed.D (Secretary of Education), and a document titled 'Schools Identified for Lead Testing in the 2018 – 2019 School Year'. Mr. Pandolfo advised that BCEMS was one of the pilot sites for lead testing. The testing was successfully completed with a few taps identified for remediation. Lead testing has become a 'hot item' with the legislature. There is very strong lobbying for testing at all schools. SHS and BTMES need to have testing completed before the end of this academic year. The deadline for inventorying taps was Friday 05/17/19, but has been extended until Monday, 05/20/19. Survey results will be turned in on Monday. Test bottles will be provided. The collection of samples is labor intensive. The legislature needs to make a decision regarding acceptable test levels and funding for remediation. Testing requires two samples per tap (a stagnant/instant sample, and a second sample, after a 30 second flush). The defined testing process includes notification to families prior to testing. Mr. Evans advised that none of the schools have any lead paint.

#### 5.4 BTMES Storm Water Retention Plan

A preliminary plan document was circulated for review. Mr. Pandolfo advised that required legislation (effective in 2023) requires that BTMES address storm water run-off. Michelle Braun, from Friends of the Winooski met with the BTMES Board and provided an overview of the impact that the legislation has on BTMES. Ms. Braun advised that grant funding is available for the planning process (to create a retention 'pool'), and that grant funding will most likely be available for the construction phase of the project. Ms. Braun has been invited to attend the 06/11/19 BUUSD Facility Committee Meeting to provide an overview of the project.

#### 6. Other Business

Mr. Pandolfo advised that Athletic Director Pat Merriam has submitted a notice of resignation. Mr. Merriam has accepted a job in Essex.

#### 7. Items to be Placed on Future Agendas

Approval of Minutes Storm Water Retention Project Projects Discussion BTMES Building Tour

#### 8. Next Meeting Date

The next meeting will be held on Tuesday, June 11, 2019 at 5:30 p.m., in the BTMES Library. After June 2019, it is anticipated that BUUSD Facility Committee Meetings will be held on the second Monday of each month at 5:30 p.m.

#### 9. Adjournment

On a motion by Mr. Boltin, seconded by Mr. Isabelle, the Committee unanimously voted to adjourn at 6:55 p.m.
