

Middle School Semester 1 CORE GPA:

(updated 6/5/2019)

This will pull the percent GPA for ONLY S1 CORE credit type classes.

It is looking at ONLY S1 historical grades for the CURRENT YEAR ONLY.

1. Select your students from the Home screen
2. Select List Students from the Functions drop down menu
3. Give the report a title
4. Select the fields you want to show

Report Title (shown at top of page):

Col	Field Name	Column Title
1. Fields	<input type="text" value="LastFirst"/>	<input type="text" value="Name"/>
2. Fields	<input type="text" value="Grade_Level"/>	<input type="text" value="Grade"/>
3. Fields	<input type="text" value='*gpa method="CoreAvgGPA_MS"'/>	<input type="text" value="S1 Core GPA"/>
4. Fields	<input type="text"/>	<input type="text"/>

The GPA field must be typed exactly as seen here: `*gpa method="CoreAvgGPA_MS"`
Copy & Paste may not work. If you do not get the results you think you should, try typing the gpa field again.

5. Click Submit button, bottom right.
