Military Organizations Directory Release: Section 8528 of the Federal "Every Student Succeeds Act" of 2015 requires the District (FUHSD) to disclose directory information (names, addresses, and telephone numbers) of high school students to military recruiters upon request, unless the parent/legal guardian of the student requests that such information not be released.

During Online Registration you may have already opted out as part of the Back to School updates which included acknowledgement of Annual Notifications.

If you want information released to military recruiters, no further action is required.

If you want to request that the school **not release** such information to military recruiters, please complete the form below and **return it to the Main Office of your student's high school.**
