Introduction

All information in our publication scheme is available in paper form from the school office. Some information may be available from our website. Some information that we hold may not be made public, for example personal information.

Objectives and targets

Our school aims to:

- To create and maintain a learning environment in which each individual has the opportunity to fulfil his/her potential.
- To encourage the pursuit of excellence, both academically and in all other areas.
- To provide opportunities for spiritual, moral, cultural, personal and social development of pupils including citizenship.
- To encourage pupils to become life-long learners who are self-motivated, courteous and thoughtful individuals who value themselves, others and the environment.

To achieve these aims, we:

- Provide a happy school environment in which children gain confidence as individuals, are able to take pride in their own ability and take responsibility for their own actions.
- Develop good habits and attitudes to work and a life-long respect for learning.
- Develop high standards of literacy and numeracy.
- Involve children in the aesthetic pleasure of art, music, poetry, prose, drama and movement.
- Provide an environment where understanding, knowledge and respect of people of different cultural backgrounds can be encouraged.
- Encourage high expectations of all school members using their abilities.
- Meet the needs of learners of all abilities, within the framework of the national curriculum and its subject areas.

This publication scheme is a means of showing how we are pursuing these objectives.
