Helpful Hints:

Children in Kindergarten do not have to wear belts if their pants have elastic waists and no belt loops! You can remove loops from pants if they have some elastic and will stay up without the belt. Having no belt to keep up with will make life easier!

Shoes with Velcro fasteners will give your child the ability to be independent and keep him/her safe!

Open House will be held on August 12 from 5:00-6:15 pm
