

Parenting Course

Please note that the session booked for 13th June is postponed until 20th June at 2pm.

THINK
Always wear a seat belt.

We heard this week that one of our pupils was involved in a car accident. He was not wearing his seatbelt. Thankfully, he will recover from his injuries in time, but it gives us the opportunity to remind parents that it is law for all drivers and passengers to wear their seatbelts. No excuses!

A reminder also that using a mobile phone while driving is an offence.

Parents are children's first teachers and role models. Be the best role model you can be to your children.

End of Day Collection

If you have arranged for someone else to collect your child/ren from school, please make sure that you call (not e-mail) the school **BEFORE 2.30pm**. The end of the school day is an *incredibly* busy time for our office staff and calls received after 2.30pm may not be forwarded to the class.

We have also noticed an increase in the number of children being collected early as a sibling or parent has an appointment. Pulling children out from a class before the end of the school day is disruptive for the whole class (as is late arrival, but that is for another day...). We would appreciate it very much if appointments can be made so that it doesn't disrupt children's learning. Thank you.

Special Request

For art this term, Year 1 need some materials that you may have lying around your house! We need:

- Old CDs
- Bottle Tops (any size or colour)
- Old wellies

If they could be brought to 1W, that would be fabulous!
Thank you

Lost Property

We always seem to have a huge pile of lost property. It includes shoes, coats, various bits of school uniform, the occasional sock and lots of lunchboxes. If items are named, we always try to re-unite the item with its owner. We don't endorse any particular naming system, but Stikins are easy to order and use AND we get some commission if you quote the code 12360. You can order online and the items are despatched the same day. <https://www.stikins.co.uk/>. Other labels are available...

One child had lost a black Adidas jumper aged 5-6. If your Reception aged child has brought this home by accident, please return it and we will re-unite with its rightful owner. Thank you.

Information sent on behalf of Berkshire Healthcare
School-aged Immunisation Team

IMPORTANT INFORMATION REGARDING MEASLES MUMPS AND RUBELLA VACCINATIONS

There has been a sharp increase in the number of cases of measles reported nationally and globally <https://www.bbc.co.uk/news/health-47940710> as well as an increase in Mumps cases for 15-24 year olds. Berkshire Healthcare provides immunisations against infectious diseases for all school-aged children, and we want to assure you it is not too late to get your child vaccinated. Children are at risk to themselves and the wider community if they have not received two doses of MMR (usually given at 13 months and 3 ½ years). Measles is a highly infectious viral illness that can be very unpleasant and sometimes lead to serious and potentially life-threatening complications, initial symptoms may be similar to cold-like symptoms such as a runny nose and high temperature.

Measles is a notifiable disease and if your child has not received two combined MMR (Measles, Mumps and Rubella) doses of the vaccine or, has previously received the singular MMR vaccines, they will **NOT** be protected and they are **AT RISK** of contracting the illness as well as passing it on to others, especially at risk are the vulnerable (babies and individuals with life limiting conditions). **Two combined MMR doses are required for full protection.** If you are unsure about your child's immunisation history, check their Red Book.

There is no charge for this vaccination and we offer a number of community clinics across Berkshire both after school and on Saturdays, the service is available to all children attending state, independent and special schools. This vaccination is not routinely available from GP practices for children of school age.

If your child attends a school in Slough, Windsor, Ascot and Maidenhead or Bracknell Forest and you would like your child to be vaccinated please contact us by emailing bks-tr.SchoolimmunisationTeam@nhs.net or calling 01753 636759.
