

Summer Professional Learning 2019

Dear Colleagues,

I know many of you are thinking about summer plans. This year a wide variety of learning opportunities will be available to support your ongoing professional growth. Induction week for all teachers who are new-to-career or new-to-Highline will be August 13-15. Please see the calendar below for summer professional learning opportunities available throughout June and August for all teachers.

All sessions are full day unless otherwise noted.

- Full day: 8:30 AM-3:30 PM
- Half day: 8:30-11:30 AM or 12:30-3:30 PM

An * denotes that the session may have different hours. Please see the [PD Calendar](#) for full details on each session and to register for a session.

As you are seeking opportunities for continued learning this summer, please note the following:

Framework Development/Revision Sessions- Open to content-specific teams to support curriculum development.

Framework Introduction Sessions - Open to all interested teachers to learn more about content-specific frameworks.

This year the Certificated Welcome Back and Equity Symposium will take place for all Highline staff. Secondary will attend on August 27th, and Elementary will attend on August 28th.

Susanne Jerde
Chief Academic Officer
