

School District of Haverford Township

Weed Control Information Sheet

For

All District curbs, sidewalks & flower beds, hills, fields, school's front turf areas & parking islands, playgrounds & athletic fields

School/Building

All District Schools
June 10th – June 28th, 2019

Date of Application

This School District utilizes an Integrated Pest Management program, applying appropriate herbicide only when needed. Our applicators will select the most appropriate herbicide(s) from the following list of herbicides to control weeds identified during their inspections. Not every herbicide listed may be used.

List of Herbicides, which may be used:

<u>Brand Name</u>	<u>EPA Registration Number</u>
