# Welcome Falcons

Getting to know a college should be about more than majors and dining hall menus. At Fisher College, it's about our faculty and administrators knowing your name – and you knowing ours. Through Fisher, you'll find the world in Boston.

Our students benefit from a personalized education path, mentorship from professors and an amazing range of experiences inside and outside the classroom.

We want to see you enjoy yourself, grow into a more thoughtful and powerful individual, expand your horizons, and go on to shape our world at the very best companies and organizations across the globe. And it all starts here.

We are Fisher College – it's nice to meet you.

## 4+1 Graduate Degrees

The Fisher College graduate degrees are grounded in the real-world. We currently have an MBA in Strategic Leadership with focuses in Accounting and Sport Administration. In addition, we have a Master of Arts in Psychology and Counseling Psychology with a trauma track that provides graduates with the necessary coursework to sit for the Licensed Mental Health Counselor (LMHC) exam. Programs are offered online, blended and face-to-face.

## Meet: PERRI ALBERT '16, MBA '17

Management: Fashion Merchandising  
Project Team Specialist, PricewaterhouseCoopers

*"Fisher College's Honors Program gave me the challenging academic environment I was looking for, but at an affordable price that wouldn't leave me with a lot of debt after graduation."*

## Honors Programs

The Fisher College Honors Program invites a select group of students with strong academic credentials to explore how their area of professional study intersects with social sciences and humanities. The Honors Program encourages students to apply what they've learned from their education and other experiences to better Boston and the world through community service and social responsibility. Membership in the Honors Program includes:

- An awarded annual \$2,000 scholarship
- Exclusive course offerings that enhance your resume
- Extracurricular opportunities and events to meet Boston civic and arts leaders
- Students can also join other honors groups including:
  - Alpha Phi Sigma, the National Criminal Justice Honor Society
  - Psi Chi, the International Honor Society in Psychology
  - Golden Key Honor Society, for undergraduate students in top 15% of their class

# Travel the World

There is no better way for students to understand the world than through our study abroad and Semester at Sea programs. Visit over 20 different countries and experience first-hand what it means to live and learn through the eyes of a new culture and grow both as a student and a professional. Financial aid is available for those who qualify.

# Internships & Career Services

We know how important practical experience is to your education, so we are here to help you land your ideal internships and secure your dream job after graduation. Our Career Services department has built a strong network of relationships with organizations around Boston and across the globe, each designed to give Fisher students **access to thousands of internships and job opportunities** that fit every program.

Our students have interned at companies like:

- The Boston Police Department
- The Boston Red Sox
- Hill Holliday
- Hilton Hotels
- Kate Spade
- Massachusetts General Hospital
- New England Sports Network (NESN)
- The State Department
- Tory Burch
- WHDH Channel 7 News

# Student Life

Student life at Fisher blends the best parts of a small campus with all the benefits of metropolitan living. Both on campus and around the city, our students have access to everything needed for a well-rounded and fulfilling college experience. Fisher students are encouraged to get involved with our many clubs and organizations, try out for (or cheer on) our athletic teams and find their place in the Boston community. You'll make friends and have experiences that last a lifetime.

# Residential Life

**Meet:  
KATIE BONILLA '22**

Criminal Justice

*"Fisher College feels like home.  
You may be far away or you  
may be close by, but it's home."*

Students live in beautiful brownstone residence halls, equipped with the comforts of home. With the Boston Common, Newbury Street and public transportation right around the corner, students have the whole city of Boston at their disposal.

# Commuter Life

Fisher is a great place for commuter students to learn while also getting the full college experience. Our commuter students enjoy all of the clubs, sports and academic support as our residential students and are an integral part of the Fisher College family. With public transportation steps away, our commuter students can easily travel back and forth between home and campus.

# Financing Fisher

We're committed to making Fisher College affordable for all our students. That's why we provide over \$11 million a year in scholarships on top of federal financial aid. The best part? You don't have to figure it out alone. Our Financial Aid Counselors are here with you every step of the way to help you create the best plan for financing your Fisher degree.

To explore Merit Scholarships and need-based financial aid, use the Net Price Calculator located on our website. For more information, please contact the Office of Financial Aid at [financialaid@fisher.edu](mailto:financialaid@fisher.edu) or 617-236-8821.

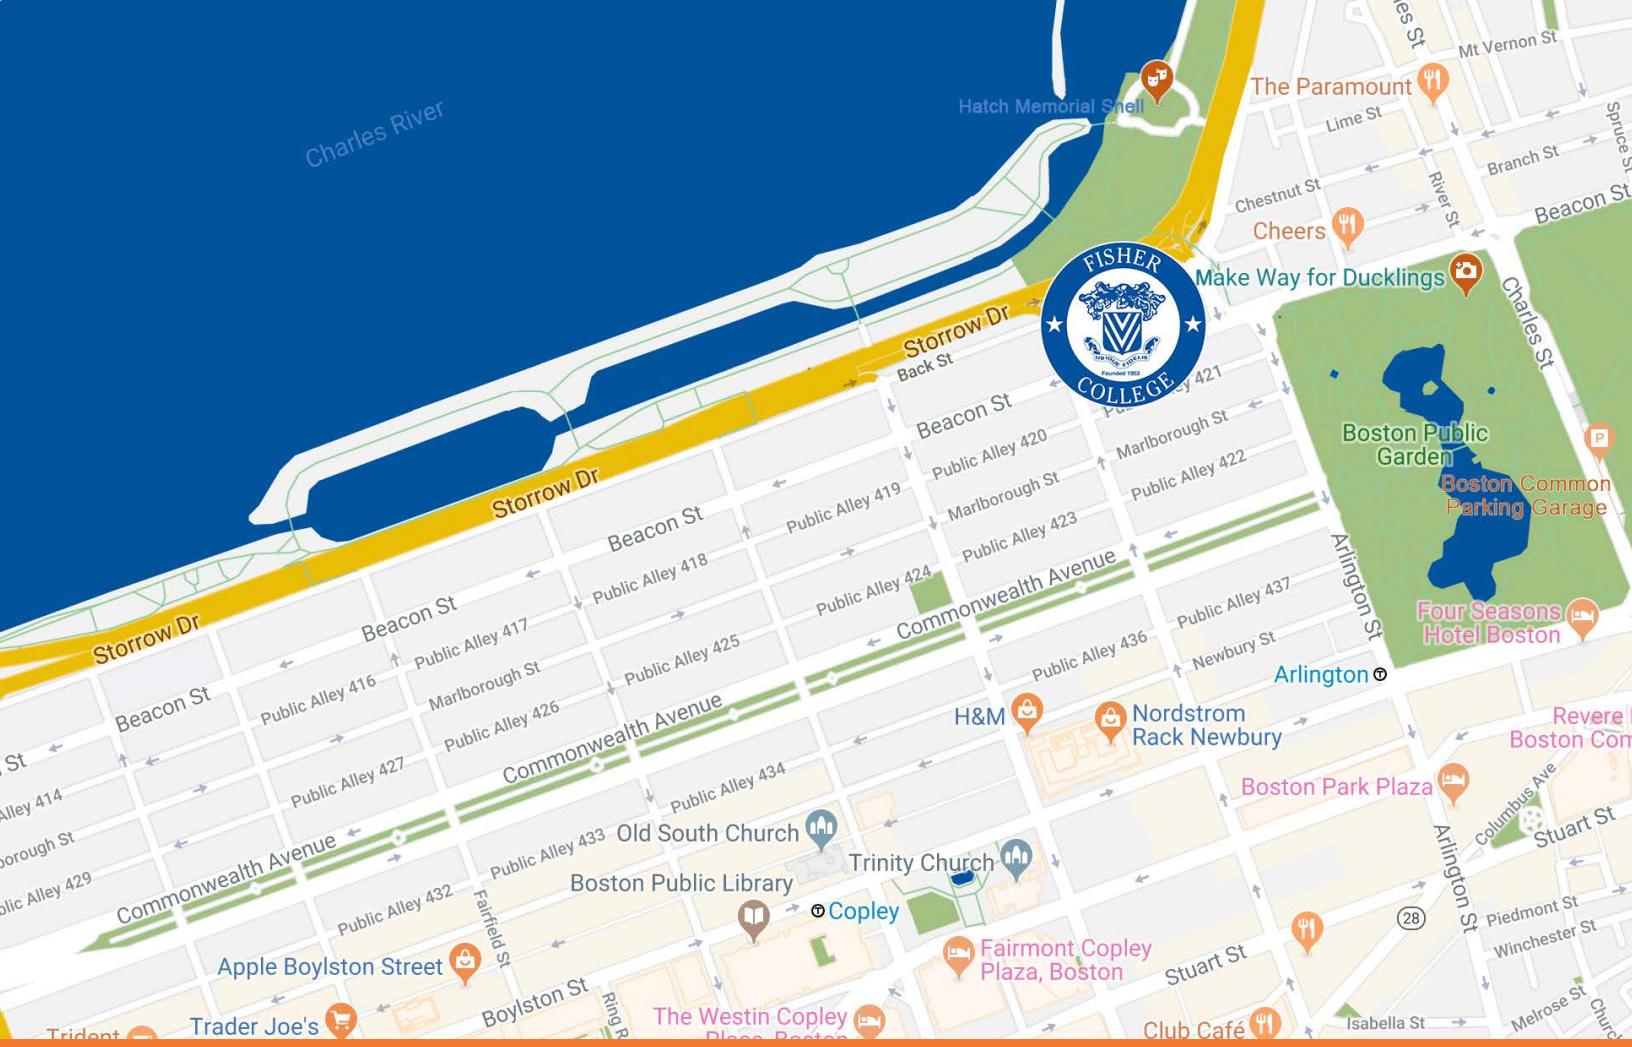

## Meet: ELLE-JORDYN GOSLIN, '15

Communication and Media Studies  
Director of Alumni Relations, Quinebaug Valley Community College

*"I knew I wanted to go to school in Boston but I was worried I wouldn't be able to afford it. The faculty and staff at Fisher College helped me make college affordable. But they didn't stop there. When I decided to do a Semester at Sea, they also helped me secure financial aid so I wasn't paying any more than I was during the semesters I was on campus."*
