

Fourth Grade Summer Reading List 2019 - 2020

Students entering fourth grade will read one required book and one book from the recommended list.

1. The book The Magician's Elephant by Kate DiCamillo is required for all students entering the Fourth Grade. We recommend that you read The Magician's Elephant last so that it will be freshest in your mind. Following a review, a test is scheduled during the first week of school.
2. Choose one book from the below recommended reading list. After reading the book, complete the attached worksheet. Students will use information from their book to prepare a presentation during the beginning of school. To help you remember the plot of the book, you may choose to write notes or use an organizer to list the major events of the plot.
