

**Breck Middle School  
2019-2020  
5th-Grade Supply List**

Below is a list of supplies you will need for your 5<sup>th</sup> grade year! Please make sure to purchase all needed materials and bring them with you on the first day of school! Items not listed should not be purchased unless asked to do so by a teacher at a later date. Please note that Trapper Keepers will not be allowed in the 5<sup>th</sup> grade unless deemed appropriate at a later date with the help of the advisor; rather, each subject's materials will remain separate. In addition, a daily planner will be provided by your advisor and billed to your bookstore account.

Locker shelves come in handy for storage and maximizing small locker spaces. Our lockers are a special size and the shelves bought at Office Max or Target will not fit. You can purchase shelves that will fit from the Breck Bookstore. Please do not buy a lock; one will be provided for you.
