

## TIPS FOR STANDARDS IN THE GRADEBOOK:

(updated: 5/8/2019)

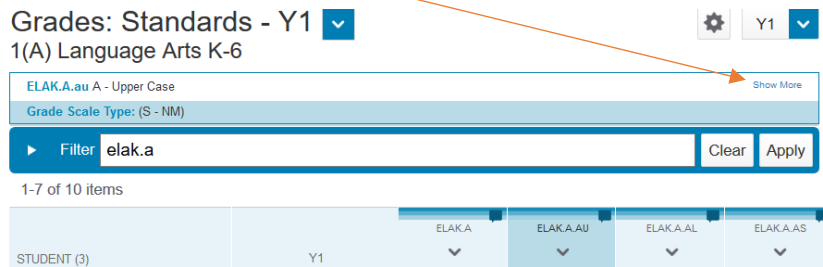

- **NEVER use this Fill button with Standards**  (this will fill EVERY standard for Language Arts with that score and is very time consuming to remove).
- You **cannot** put a mark for the first standard (IE – elak.a, ela1.rlri, etc.). These are the Parent standard to the lower standards that DO receive a score.

- You can hover your mouse over the name of the standard and it will pop up a tool tip to tell you the name.

- You can click the “Show More” link underneath the Term to show more information about each standard

You will see this once Show More is clicked: You can see the Description, Hierarchy, Grade Scale, & Special Codes tabs giving you more information about the standard you have selected.
