

Student Neighborhood Access Program (SNAP)

West Point Junior High School 2018-2019

Our mission is to find our student's the safest routes to and from West Point Junior High School.

Location: West Point Junior High – 2775 West 550 North West Point, Utah

Existing Traffic Controls:

There are various traffic lights and stop/yield signs in the walk area. The speed limit signs are posted clearly and frequently. Roundabout installed at 3000 West and 550 North. Roundabout at 3000 West and 800 North. Roundabout at 3000 West and 1300 North. Crosswalks leading up to school.

Established Speed Zones:

400 North and 3000 West, 2700 West and 300 North, 2000 West and 550 North

Established Narrow School Routes:

Between 2000 West and 2525 West on 800 North, there are ditches on both sides of the narrow road. Similar hazards are found on 1300 North. Students must walk in the road.

Bicycle Route:

There are no bicycle lanes. Bicycle routes are the same as walking routes. Students will ride their bikes on the road as far to the right as possible, allowing vehicle traffic the right of way. Students are encouraged to obey all bicycle safety rules and are to walk their bikes across the streets and on school grounds. Students should lock their bikes at all times to insure security of personal property.

School Bus Loading/Unloading Zone:

At school property buses will drop/pick up on the west side in existing bus loading zone. There are 8 regular education and 2 special education buses. Bus loading/unloading zones are marked clearly and signs are posted.

Other Vehicle Loading/Unloading Zone:

Parents will drop/pick up students only in lane closest to school to ensure safety of students. Cars should never block or stop in outside lane or in crosswalk areas. Cones will be placed in left lane in the morning before school to keep cars out of left lane. Traffic citations may be issued for noncompliant individuals.

Future Growth Areas:

There are several areas of new growth within West Point Jr. High's boundaries.

Hazards and Areas of Concern:

1. Sidewalks are currently being placed on 800 North. A lack of sidewalks exist on 1300 North between 2000 West and 3000 West.
2. High speed limit on 1800 N in West Point.
3. Many other areas listed as recommendations in each boundary area.

Present Access Routes

Area 1: West Point City Students living east of 2000 West and between 800 North and 200 South

- Walk North or South to 300 North
- West to 2000 West
- North or South to crosswalk at 550 North
- West to 2775 West 550 North

Recommendation: Complete the sidewalks on both sides of 300 North

Area 2: Clinton City Students living in Clinton between 2300 West and 1500 West, and between 1800 North and 880 North.

- Walk East or West to 2000 West
- South to crosswalk at 550 North
- West to 2775 West 550 North

There is a crosswalk at 2750 West on 1800 North.

Recommendation: In addition to issues in area 1, complete sidewalks on 800 North and 1300 North.

Students are to use caution walking on 2000 West because of narrow roads and heavy traffic. Students can walk on 800N upon completion of sidewalks. Student are NOT to walk east or west on 1300 North because of narrow roads and ditches.

Area 3: West Point and Clinton Cities Students living in area between 2300 West and 4920 West, and 2300 North and 800 North.

- Walk east or west to 3000 West
- South to crosswalk at 550 North
- East to 2775 West 550 North

Recommendation: A crosswalk has also been proposed by Community Council on 3000 W. and 1800 N. Caution to students walking on narrow roads with no shoulder. Sidewalk on 4500 W. Road has no shoulder.

Area 4: West Point City Students living in area between 2000 West and 3000 West and between 800 North and 200 South.

- Walk north or south to 550 North
- West or east to 2775 West 550 North

Crosswalks have been painted directly east and west of the West Point Junior High parking lot at 2750 West and 550 North

Recommendation: A Crossing Guard to direct students across the crosswalk located just east of the school on 550 North. Currently, two cones with SLOW on them are placed in the east and west crosswalks on 550 North.

Area 5: West Point City Students living in area between 3000 West and 4920 West, and between 300 North and 1300 South.

- Walk North to 300 North
- East to 3000 West
- North to 550 North
- East to 2775 West 550 North

Recommendation: There is concern that with ditches and narrow roads, students are walking in the road. This is especially a concern during winter snow months.

Immediate Concerns and Recommendations

Proposed Sidewalk Recommendation: Finish sidewalks on 800 North between 2000 West and 3000 West. Sidewalks installed on both the North and South sides of 300 North, and 1300 North between 2000 West and 3000 West.

Proposed Speed Limit: Speed Limit on 1800 N in West Point City should be lowered from 45 miles per hour.

Proposed Crosswalk Recommendation: 3000 West and 1800 N. in Clinton.

Dissemination of Plan and Training

Parents and community members will have an opportunity to view this plan at any time in the Media Center or in the Main Office of West Point Junior High. Access to this plan will also be available on the school web site

(<http://www.davis.k12.ut.us/wpjh>). The West Point Jr. High Community Council will also have the opportunity to review, revise, and sign off on the SNAP Plan.

This plan will also be presented for approval to feeder city councils.

The SNAP will be presented to the West Point Junior High School Community Council on Wednesday, April 11, 2018.

This SNAP plan was presented to the West Point Junior High Community Council on Wednesday, March 9, 2016.
