

**SUMMER WORK. SPANISH V 11 Honors  
(AP Spanish 2019-20)**

Go to the following links. Each of the links will get you to a short video. You also need to complete the activities (ejercicios) posted together with the video. When you finish the activities, print the screen and put them in a folder.

When we are back from a restful summer, you will have to hand that folder in, together with the novel.

How many activities you need to complete? Easy, all.

If you have difficulties understanding the videos, you can find the audio transcriptions at the end of the activities.
