

# 2019 PHYSICALS & TRYOUT INFORMATION

Picture right:  
The 1965 Team

Thank you for your interest in the Harriton Ram Golf Program. We're looking forward to having fun in 2019 and continuing to be competitive in the Central League! Please receive the following information regarding the 2019 program.

## 2019 TRYOUT SCHEDULE

- Jeffersonville Golf Club in Norristown
- Monday, August 12th - First tee time: 12:00pm
- Mandatory Fall sports meeting in the HHS Auditorium at 8:00am
- Students must have their completed physical form and \$25 cash green fee
- Bus will leave HHS promptly at 11:00am
- *Inclement weather: In the event of inclement weather, a second round will not be rescheduled due to the difficulty of securing a course with such short notice.*

## 2019 TRYOUT REQUIREMENTS

- All students must have an established USGA GHIN handicap and/or approved international handicap of 25 or below with at least 20 scores posted, 10 of which must be posted in 2019.
- If you are not a member of a private club to establish a handicap, you can establish one for a nominal fee at any public course including Walnut Lane GC and Jeffersonville GC. These courses are given as examples because they are both within reasonable proximity to Gladwyne, PA. This process may be executed by clicking <http://harritonramgolf.blogspot.com/2016/03/2016-tryout-information.html>
- The handicap requirement only gets the student in the door to tryout. A handicap of 25 or below will not be a factor in the student making the team.
- Those wishing to tryout must fill out the following form by August 1st, 2019 by clicking on the below image:

*\*\* The HHS Athletic Department will not accept physicals dated before June 1, 2019.*

Click [HERE](#) for the PIAA Physical Form you will need to turn in at tryouts.

## WHO MAKES A TEAM?

- There are several considerations that we take into account:
- Official tryouts
- Previous experience in the golf program
- Handicap index and scoring history as indicated in their GHIN handicap account.
- Summer junior tournament participation (Philly PGA Junior Tour, GAP, AJGA, etc.).
- Teams are assembled based on the coaches discretion with the aforementioned as a part of the process. The above information will give us a very good idea of who makes a team.
- If a student-athlete makes a team, we will be asking for a financial contribution to the Harriton Golf Association (HGA) and we hope you will support the teams efforts that season and beyond. Click [HERE](#) for more information about the HGA contributions.

Thanks and we can't wait for the tryouts!

The Coaching Staff
