

Federal Child Nutrition Act Wellness Policy

Purpose

It is the intent of the Barre Unified Union School District (B.U.U.S.D.) to comply with the local policy requirements of the federal *Child Nutrition and WIC Reauthorization Act of 2004* and *Healthy, Hunger-Free Kids Act of 2010*¹. In accord with those requirements, this policy has been developed in consultation with parents, representatives of the school food services authority, school administrators, school health professionals and the public.

Policy Statement

It is the policy of the B.U.U.S.D. to establish goals for nutrition promotion and education, health education, physical education², and physical activity, and other school-based activities that are designed to promote student wellness. With the objective of promoting student health and reducing childhood obesity, the district will also establish nutrition guidelines for all foods available at school during the school day.

I. Goals for Nutrition Promotion and Education.

- A. The B.U.U.S.D. shall provide nutrition promotion and education programs as required by state law and regulations of the State Board of Education. In particular, the supervisory union shall provide a nutrition component in its Comprehensive Health Education³ program and shall develop curricular programs intended to accomplish applicable goals enumerated in the National Health Education Standards⁴.
- B. To the extent practicable, nutrition promotion and education shall be integrated into core curricula areas, such as science, health, physical education, and family and consumer science courses.
- C. The B.U.U.S.D. shall establish meal periods that provide adequate time to eat and are scheduled at appropriate hours in a clean, safe, and adequate space.
- D. Food shall not be used in B.U.U.S.D. schools as a reward or punishment, except when rewards are part of a student's written IEP, 504, or behavioral plan.
- E. The B.U.U.S.D. shall provide training opportunities as appropriate for food service and other staff members in areas of nutrition and wellness as described in the Vermont Education Quality of Standards.

II. Guidelines for Health Education

- A. The B.U.U.S.D. shall enable students to engage annually in rigorous, relevant and comprehensive learning opportunities that allow them to demonstrate proficiency in health education as defined by Vermont state law 16 V.S.A. 131 (EQS rule 2120.5). In particular, the district shall develop curricular programs intended to accomplish the goals enumerated in the National Health Education Standards for all students in grades K-12.

- B. Health Education shall be integrated into core curricula areas, such as science, physical education, and family and consumer science courses.

III. Goals for Physical Education and Physical Activity.

- A. The B.U.U.S.D. shall provide physical education and adaptive physical education classes for all students as required by Education Quality Standards and 16 V.S.A 2902.
- B. The B.U.U.S.D. will provide students with Physical Education, using an age-appropriate, sequential Physical Education program consistent with 2014 SHAPE America National Standards and Grade-Level Outcomes for Physical Education⁵.
- C. The B.U.U.S.D. shall provide physical activity opportunities to all students as required by Education Quality Standards and 16 V.S.A 2210.5.

IV. Goals for Other School-Based Activities.

- A. The B.U.U.S.D. shall use evidence-based strategies to determine goals for promoting student wellness.
- B. The B.U.U.S.D. shall promote health and wellness by encouraging staff to model healthy eating/drinking behaviors at school, by displaying USDA promotional materials, such as informational posters on school property, by marketing health and wellness on signs, score boards, sports equipment, in curricula, educational materials, both printed and electronic, and through its website. No foods of minimal nutritional value will be advertised on school grounds.

V. Nutrition Guidelines.

- A. Following state law 16 V.S.A. section 1264, the B.U.U.S.D. shall offer National School Lunch and School Breakfast Programs that meet 7 CRF 210 and 7 CRF 220 and the Healthy, Hunger-Free Kids Act of 2010.
- B. The B.U.U.S.D. shall ensure that guidelines for reimbursable school meals are not less restrictive than regulations and guidance issued by the Secretary of Agriculture pursuant to sections (a) and (b) of section 9A(a) and (b) of the Richard B. Russell National School Lunch Act as those regulations and guidance apply to schools.
- C. The B.U.U.S.D. shall ensure that foods and beverages offered at school during the school day other than through the National School Lunch or School Breakfast programs, including foods sold through vending machines and foods sold for fundraising during the school day, shall comply with the USDA Smart Snacks Standards⁶.

VI. Policy Implementation.

- A. The superintendent or his or her designee shall periodically monitor B.U.U.S.D. programs and curriculum to ensure compliance with this policy and any administrative procedures established to carry out the requirements of this policy. The B.U.U.S.D. shall periodically inform and update the public about the content and implementation of this policy, including the extent to which B.U.U.S.D. schools are in compliance with this policy, the extent to which this policy compares to model local school wellness policies and a description of the progress made in attaining the goals of this policy.

- B. The B.U.U.S.D. shall permit parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators and the general public to participate in the development, implementation and periodic review and update of this policy.
- C. The superintendent or his or her designee shall establish ongoing B.U.U.S.D. health and wellness committee(s) following the Vermont Agency of Education and Vermont Department of Health recommendation evidence-based collaboration approach to learning and health. Information on how to join the committee(s) is available on the supervisory union websites.
- D. The B.U.U.S.D. health and wellness committee(s) assist the superintendent or his or her designee, at least triennially, in the assessment and/or revision of the wellness policy using best -practice assessment tools, in auditing supervisory union-wide compliance, and in reviewing evidence of student health and learning impact.

The superintendent or his or her designee shall report yearly to the board and to the public on the B.U.U.S.D.'s compliance with law and policies related to student wellness. The report shall include information as to the content and implementation of this policy, and an assurance that B.U.U.S.D.

guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law.
