

| Child & Adolescent Psychiatry | | | | |
|---|----------------------|--------------------|----------------------|-------------------|
| Skill/Procedure | Level of Care | Supervision | Milestone | Competency |
| • Formulate a correct treatment plan for each diagnostic category | Year 2 | Indirect | MK2 | MK |
| • Diagnose and treat psychiatric conditions in children and adolescents of all ages, including infants and preschoolers | Year 2 | Indirect | MK2 | MK |
| • Diagnose and treat substance abuse/dependence | Year 2 | Indirect | MK2 | MK |
| • Participate in a research project or scholarly activity under faculty supervision | Year 2 | Indirect | MK2 | MK |
| • Initiate and maintain correct treatments for all diagnoses based on EBM | Year 2 | Oversight | MK2/MK3 | MK |
| • Recognize issues related to clinical research and how the field benefits from such participation | Year 2 | Oversight | MK2/MK3 | MK |
| • Understand Axis I and II illnesses, the interplay between them as well as comorbid Axis III diseases | Year 2 | Oversight | MK2/MK3 | MK |
| • Present reasonable differential diagnoses in addition to a working diagnosis | Year 2 | Indirect | PC2 | PC |
| • Present cases in a coherent fashion both verbally and in written form | Year 2 | Indirect | PC2 | PC |
| • Be able to elicit a complete history and perform a complete neurological exam | Year 2 | Oversight | PC1/PC2/MK2/MK3/ICS2 | PC/MK/ICS |
| • Include collateral information in treatment plan | Year 2 | Oversight | PC1/PC2/MK2/MK3/ICS2 | PC/MK/ICS |
| • Include risk assessment as appropriate in all patients | Year 2 | Oversight | PC1/PC2/MK2/MK3/ICS2 | PC/MK/ICS |
| • Provide complete and thorough documentation of patient care | Year 2 | Oversight | PC1/PC2/MK2/MK3/ICS2 | PC/MK/ICS |
| • Attend to healthcare prevention needs of the patient | Year 2 | Oversight | PC1/PC2/MK2/MK3/ICS2 | PC/MK/ICS |
| • Improve skills through psychotherapy supervision and feedback | Year 2 | Indirect | PC4 | PC |
| • Perform effective short-term psychotherapy | Year 2 | Oversight | PC4/PC5/SBP2 | PC/SBP |
| • Recognize his own skill limitations and seek ways to improve | Year 2 | Oversight | PC4/PC5/SBP2 | PC/SBP |
| • Apply EBM to patient care decisions | Year 2 | Oversight | PC4/PC5/SBP2 | PC/SBP |
| • Access and use up-to-date EBM information appropriately | Year 2 | Oversight | PC4/PC5/SBP2 | PC/SBP |
| • Successfully complete an oral clinical skills verification exam | Year 2 | Direct | PBL3 | PBL |
| • Demonstrate skill in making a medical referral and maintaining communication with other providers | Year 2 | Indirect | SBP4/MK4 | SBP/MK |
| • Discuss risks, benefits and treatment options | Year 2 | Indirect | SBP4/MK4 | SBP/MK |

| | | | | |
|--|--------|-----------|----------------|-------------|
| • Function in the role of consultant and/or liaison psychiatrist for other medical services, as well as between providers | Year 2 | Indirect | SBP4/MK4 | SBP/MK |
| • Establish and maintain a therapeutic alliance | Year 2 | Oversight | PC4/PROF1/ICS2 | PC/PROF/ICS |
| • Use patient and family education appropriately | Year 2 | Oversight | PC4/PROF1/ICS2 | PC/PROF/ICS |
| • Communicate results of assessment to patients and families | Year 2 | Oversight | PC4/PROF1/ICS2 | PC/PROF/ICS |
| • Follow patients in the child and adolescent age range on a weekly basis for psychotherapy | Year 2 | Indirect | PC4/MK6 | PC/MK |
| • Provide forensic evaluations and court testimony as required for justice-involved youth | Year 2 | Indirect | PC4/MK6 | PC/MK |
| • Evaluate and treat psychiatric symptoms in non-psychiatric patients | Year 2 | Oversight | SBP3/SBP4 | SBP |
| • Contact and utilize community resources as part of system of care | Year 2 | Oversight | SBP3/SBP4 | SBP |
| • Consider financial resources of the patient in all aspects of care | Year 2 | Oversight | SBP3/SBP4 | SBP |
| • Address legal issues related to patient care | Year 2 | Oversight | SBP3/SBP4 | SBP |
| • Advocate for patients and participate in regional, state and national mental health organizations | Year 2 | Oversight | SBP3/SBP4 | SBP |
| • Function in the role of consultant and/or liaison psychiatrist for other medical services, as well as between providers | Year 2 | Indirect | SBP4/MK6 | SBP/MK |
| • Provide forensic evaluations and court testimony as required for justice-involved youth | Year 2 | Indirect | SBP4/MK6 | SBP/MK |
| • Demonstrate compassion, integrity and respect for others | Year 2 | Oversight | PROF1/PC4/ICS2 | PROF/PC/ICS |
| • Exhibit responsiveness to patient needs that supersede self-interest | Year 3 | Oversight | PROF1/PC4/ICS2 | PROF/PC/ICS |
| • Respect patient privacy and autonomy | Year 4 | Oversight | PROF1/PC4/ICS2 | PROF/PC/ICS |
| • Adhere to appropriate levels of accountability to patients, society and the profession | Year 5 | Oversight | PROF1/PC4/ICS2 | PROF/PC/ICS |
| • Show sensitivity and responsiveness to a diverse patient population, including but not limited to differences in gender, age, culture, race, religion, disability and sexual orientation | Year 6 | Oversight | PROF1/PC4/ICS2 | PROF/PC/ICS |
| • Formulate a correct treatment plan for each diagnostic category | Year 1 | Indirect | MK2 | MK |
| • Diagnose/treat psychiatric conditions in children and adolescents aged 5 and over | Year 1 | Indirect | MK2 | MK |
| • Diagnose/treat substance abuse/dependence | Year 1 | Indirect | MK2 | MK |
| • Participate in a research project or scholarly activity under faculty supervision | Year 1 | Indirect | MK2 | MK |
