The dates that are in bold are required performances and a part of each student's grade. The dates that are UNDERLINED AND CAPITALIZED are performances that are not required, but highly recommended for students to participate in. The other dates are non-required activities for you or your student to participate in. The grades that are participating in each concert are in parentheses. GLBPA meetings are in italics.

(The times listed above are performance times as to when the concert begins. Students are required to report to concerts, which we refer to as "call time," 30 minutes before their performance time for warm up and attendance and are to stay for the entire concert. Concerts normally last from 60 to 80 minutes. **Students are expected to stay for the entire concert. Please plan accordingly.**)

G.L.B.P.A. (Gull Lake Band Parents Association) Meetings are open to any parent who currently has a student enrolled in band. We encourage and invite you to attend whatever meetings you can and look forward to seeing you soon! If you have any questions or would like to be added to the email list, please contact mchabitch@gulllakecs.org.
