MODIFIED SPORTS 2019-20

The Modified Athletic Program level of competition consists of athletic opportunities for students in 7th & 8th grades. Modified provides a bridge between recreational activities and the structure of an Interscholastic Athletic Program, which is governed by the rules & regulations of New York State Public High School Athletic Association and Section 1.

It is our goal for all student-athletes to have quality and meaningful experiences through maximizing participation, providing quality instruction, having meaningful opportunities to test skills in competitive situations and maintain safety to ensure practices and competitions are equitable.

COMPETING ON OUTSIDE TEAMS IN SEASON

Mamaroneck student athletes' 1st commitment must be to the school program and school team. We are "cutting", not allowing an opportunity for athletes to play on our teams, due to high levels of interest. If conflicts arise, athletes are required to compete for the school team. **TRANSPORTATION** will be provided to and from all games. If you have to bring or pick your child up from a game only the parent of that child can provide this service. Waivers need to be filed with the Athletic Office 24 hours in advance of the event. Transportation waivers can be found on the Athletic web page.

WHERE TO FIND SCHEDULES?

- Daily Practice Schedules are located on web based app: www.mamaroneckathletics.org
- Game Schedules for each level and program for the season can be found: SW Boces Athletics
- We update the main page of the Athletics website with last minute cancellations due to weather, site changes, etc.
