

BEHAVIORAL SPECIALIST SERVICES

CLARIFICATION 1

Clarification #	Question	Response
1.01	While the RFP contemplates people to meet the behavioral specialist services, would the district consider a software solution as part of those services? Specifically one that provides, ABC data collection, online FBAs, BIP Creation, and progress monitoring. Finally, 47 hours of online behavior training in behavior management, positive behavior supports, autism, classroom management, and managing challenging behaviors.	Yes.
1.02	Can a responder respond to only specific areas of the RFP, or does it need to be the entire scope?	Proposals must be submitted for the entire scope to be responsive. Please refer to RFP 3.03(A)(6).
1.03	Will the pre-conference be available for call in or web meeting?	No.
