

DIRECTOR DISTRICT BOUNDARIES

It is the responsibility of the Board of Directors to establish the boundaries of the internal director districts of the school district, and to redistrict the director districts as necessary.

The Board of Directors, with the assistance of the administration, the ESD and the State Redistricting Commission, shall develop a plan of proposed director districts within eight months of any of the following events:

1. 1. Receipt of federal decennial census data;
2. 2. Consolidation of the district with one or more other districts;
3. 3. Transfer of territory to or from the district;
4. 4. Annexation of territory to or from the district; or
5. 5. Approval by a majority of the district's voters of a proposal to divide the district into director districts.

The plan of proposed director districts shall meet the following criteria:

1. 1. The districts shall be as nearly as possible equal in population;
2. 2. The districts shall be as compact as possible and consist of geographically contiguous area;
3. 3. The districts shall not favor or disfavor any racial group or political party; and
4. 4. The districts shall as much as possible coincide with natural boundaries and existing communities.

Any registered voter in the district may challenge the plan within 45 days of the plan's adoption by requesting that the superior court review the plan for compliance with the four criteria listed above.
