

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Introduction

Since November, 1988, state law has required all public schools receiving state funding to prepare and distribute a School Accountability Report Card (SARC). A similar requirement is also contained in the federal *No Child Left Behind Act* (NCLB). The purpose of the report card is to provide parents and the community with important information about each public school. A SARC can be an effective way for a school to report on its progress in achieving its goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators.

Principal's Message

On behalf of the Cureton Elementary School staff, I would like to welcome you to the Cureton School website. As I begin my first year serving the Cureton community as principal, I am excited about the prospects of the 2008-2009 school year and am looking forward to working with you in a spirit of close cooperation.

Cureton School has been providing a quality education to our community for over fifty years. Our teachers are dedicated to providing each and every student with the best educational opportunities possible. As a staff, we also recognize the importance of developing in each student an attitude of self-respect, self-worth, self-confidence, and a desire to be lifelong learners. Consequently, the teachers and I will do our very best to create an exciting and challenging learning environment for all of our students.

The Cureton staff and I also strongly believe that parents are very important members of the school community. As a consequence, one of our major goals this year is to make Cureton School a significant part of your family's life. To be the most effective we can be, we will need to work together to create a positive learning environment for all our students. Therefore, we encourage you to become active and informed. This may be done by attending meetings of the School Site Council, the English Learners Advisory Committee, joining the PTA, volunteering to assist in the classroom, attending as many school programs and events as possible, and by keeping close communication with your child's teacher. Maintaining this type of parent participation and communication will play a vital role in your child's success.

Thank you in advance for your support. The teachers and I welcome your suggestions, and we will solicit your help throughout the school year. If you need additional information or assistance, please do not hesitate to contact us at 928-7350.

Sincerely,
Jason Sorich
Principal

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Executive Summary School Accountability Report Card, 2007-08 Horace Cureton Elementary School

Address: 3720 East Hills Dr. , San Jose CA 95127-2418 Phone: 408-928-7350
Principal: Jason Sorich Grade Span: K - 5

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of school accountability. The data presented in this report are reported for the 2007-08 school year, except the School Finances and School Completion data that are reported for the 2006-07 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

About This School

Horace Cureton Elementary School is a low-wealth school, located in east San Jose at 3720 East Hills Drive, San Jose, California 95127. It has an enrollment of approximately 572 students and a high incidence of poverty as evidenced by 77% free and reduced lunch count. Cureton also has a proportionately large percentage of English Learners (65.0%). The school community recognizes and values a diverse student population: 80.5% Hispanic, 6.9% Asian, 6.1% Filipino, 4.0% White, 1.7% African-American, and 0.3% American Indian.

There are 24 classroom teachers, 1 Instructional Coach, 1 Resource teacher, 1 Resource Specialist teacher, 2 Special Day Class Learning Handicapped teachers, 1 Special Day Class Learning Handicapped Low-Functioning teacher, 1 instrumental music teacher, 1 classroom music prep period provider, 1 physical education prep period provider, and 1 principal. Additionally, there are 2 part-time psychologists, 1 speech/language therapist, 1 adaptive physical education teacher, 1 occupational therapist, 1 health aide, and 1 library aide. Office workers include a secretary and a four-hour office assistant; custodial workers include 1 day and 1 night custodian. Four noon-duty paraeducators monitor children on the playground and in the cafeteria.

Parents and staff are committed to raising the academic levels of all children. The school community is focused on the common goal of producing students who are world-class learners and performers. To this end, they have committed to the implementation requirements and procedures which follow: 1) a school-based team of expert learners (Leadership Team and Instructional Coach) providing instructional leadership and collaboration with each grade level to ensure that teachers are varying their instructional strategies to better assist English Language Learners and under-performing students, 2) ongoing professional development, parent training, and curriculum alignment, 3) regularly scheduled planning and articulation through staff meetings, grade level meetings, and articulation meetings 4) ongoing monitoring and integration of collaborative planning, 5) improved educational practices to include teacher walkthroughs, cross-age support, modeling of differentiated instruction, and peer coaching, and 6) external monitoring with the support of consultants and a District Office academic liaison.

Goals

As expressed in the Single School Plan, Arbuckle's goals are:

- As part of the AYP target, 35.2% of students in grades K-5 will achieve the performance level of proficient/advanced on the California Standards Test in English/Language Arts.
- As part of the AYP target, 37.0% of students in grades k-5 will achieve the performance level of proficient/advanced on the California Standards Test in Mathematics.
- All English Learners will increase two proficiency levels for students at proficiency level 1 and one proficiency level for students at proficiency levels 2-5 in one year's time as evidence on the annual CELDT.

Progress Monitoring

1. Use of state and local assessments to modify instruction and improve student achievement.

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Arbuckle has adopted a data-driven cycle of inquiry approach to school improvement that impacts budget, curriculum, instruction, assessment, and student achievement and is implementing data-driven instruction by making data readily available to all teachers. Since the current data system is cumbersome and difficult to access, the District invested in a data management system, called the "Cruncher". Easily accessible and simple to use, the "Cruncher" allows teachers to access their students' performance data so that they can compare it to school-wide, district, state and national data to ascertain student performance and guide their efforts to individualize instruction, provide differentiated instruction that is responsive to the students' assessed needs and measure the effectiveness of their own instruction. The Cruncher also allows administrators to assess the effectiveness of curriculum and support intervention programs. In addition, Cruncher information regarding criterion-referenced test performance (STAR, CELDT, etc.), district assessments, and writing samples, suspension, referral, and attendance data, student work samples, authentic assessment data from project-based, inquiry-based, work-based, open-ended, and portfolio assignments, qualitative data to ascertain stakeholder satisfaction, and observations of student performance are used to measure whether all students are meeting the standards.

In addition to state data, these local assessments are used to monitor teaching and learning:

- ◆ District Writing Assessment
 - ◆ Reading Lions Assessments/Houghton Mifflin Curriculum Embedded Assessments
 - ◆ Saxon Math Unit Assessments
 - ◆ Marie Clay Observational Survey
 - ◆ DRA (Developmental Reading Assessment)
2. Use of data to monitor student progress on curriculum-embedded assessments and modify instruction.
- ◆ Arbuckle uses the following state and local assessments to modify instruction and improve achievement:
 - ◆ California Standards Test/STAR Testing
 - ◆ District Writing Assessment
 - ◆ Reading Lions Assessments
 - ◆ DRA fluency assessment
 - ◆ CELDT test program
 - ◆ Entry level placement and diagnostic tests for Holt Literature and Language Arts, High Point, pre-algebra and algebra
 - ◆ Formative assessments based on California State Standards.
 - ◆ Standards Based Tests in Spanish
 - ◆ Observation Survey to assess Kindergarten preparedness

Schoolwide Programs

- ◆ After School Enrichment/Intervention Program
 - This program provides differentiated instruction for students falling below benchmark on Language Art assessments. Students receive 8 weeks of intensive instruction per cycle.
 - Every student at *Arbuckle* attends the after school enrichment program. It is our belief that children will continue to develop academically through different learning modalities. Thus, students attend art, music, drama and sports classes through our after school enrichment program.
- ◆ Saturday Academy
 - This program provides intensive English instruction for our 2nd and 3rd grade students in preparation for the end of the year CST (California Standards Test).
- ◆ Homework Center
 - Students are provided assistance with their homework as well as tutoring in small groups

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

2007-08 School Accountability Report Card Report (SARC)

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the [SARC](#) Web site. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

[DataQuest](#) is an online data tool that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Opportunities for Parental Involvement (School Year 2007-08)

**FOR MORE PARENT INFORMATION, PLEASE CONTACT
JASON SORICH AT 408-928-7350**

This section provides information about opportunities for parents to become involved with school activities.

Cureton values and includes all stakeholders in all facets of the educational process. To encourage parent participation, Cureton maintains a system of open two-way communication and employs a variety of ways to increase stakeholder communication. Not only is the School Accountability Report Card available on the district's website, but pertinent school information, including results of the school evaluation process, school data, and school programs are also available to parents in the Principal's Newsletter, with is written in multiple languages. Because parent and community participation is essential to student achievement, Cureton School provides a number of parent and community involvement opportunities.

Parent education workshops enhance parent involvement in the development of their students' literacy skills. Literacy Nights are also scheduled in the fall and spring. Students and parents are engaged in literacy activities with teacher guidance. Newsletters are sent home to inform parents about the curricular programs and to communicate techniques for further development of students' literacy skills. Parent knowledge and parent involvement is increased in Reading and Language Arts through parent/teacher conferences, report cards, quarterly progress reports, and school-wide parent meetings (SSC, PTA, Principal Chats and ELAC). Parents volunteered in our school-wide activities. Parents take part in some of the after-school intervention programs. Parents have also organized a crossing-guard program before and after school.

Auxiliary services for students and parents:

- Provide additional Language Arts skills reinforcement to Basic, Far Below Basic and Below Basic students through strategic interventions.
- Provide English Language Classes for parents.
- Establish Academic Performance Assemblies & incentives to motivate students.

III. School Climate

School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.

Cureton Elementary School has a very detailed, comprehensive safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Cureton Safety Committee before it is presented to the Alum Rock Union Elementary School District Board of Trustees for adoption. The Safety Plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed, and the results are shared with the staff. The Cureton Safety Plan has a comprehensive, enforceable, and continuous:

- Behavior Policy
- Rules and Regulations
- Dress Code Policy
- Protocols for Safety/Emergency Drills
- Tardy Policy
- Attendance Policy
- Referral Policy
- Nondiscriminatory Policy on Student Rights and Responsibilities

A comprehensive approach to creating safe and effective schools must include four components that interact and affect the safety of the whole campus. The four components are: the personal characteristics (students, school, community and staff); the school's physical environment; the school's social environment; and the school's culture.

COMPONENT 1 Activities to Address Personal Characteristics of Students, School, Staff and Community

It is difficult, if not impossible, to create a safe school plan without a clear knowledge of the people students and staff who will interact at the school every day. Personal characteristics that should be considered include the ethnic and cultural backgrounds and expectations, health concerns, life experiences, and unique qualities

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

that students and staff bring to the school.

- San Jose Police Department safety presentations for parents and students
- Kidango before and after school childcare
- San Jose Museum of Art awareness training for students
- Young Audiences multicultural assemblies
- Community-Based English Tutoring English classes for parents
- PeaceBuilders County of Santa Clara grant for school/community training of peace building techniques
- Synopsis science teacher grant program
- Homework Center after school study club funded by the City of San Jose
- Department of Parks, Recreation, and Neighborhood Services provides after school activities for students
- Young Men's Christian Association (YMCA) provides noontime recreation
- Parent education classes taught by teachers provide a series of parent education workshops on how to help children develop academically, socially, and behaviorally.
- Literacy Education Arts Recreation Nurtures Students (LEARNs) an academic assistance and recreation program provided by the City of San Jose which is open until 6:00 p.m. Monday through Friday
- Peacebuilders school climate training for teachers and the community, sponsored by Santa Clara County
- Parent Teachers Association (PTA) an organization that promotes cohesiveness of the school community
- School Site Council (SSC) a committee composed of 50% staff and 50% parents that make decision regarding school activities, curriculum, funding, etc.
- English Language Advisory Committee (ELAC) a committee of parents of English Learners and teachers who communicate parent concerns about the education of children

List the staff training and give a brief description of each such as: ELD, conflict resolution, etc.

- English Language Development (ELD) training for teachers and parents by Alum Rock District and by the Santa Clara County Office of Education
- Beginning Teacher Support and Assessment (BTSA) support providers are assigned to new teachers
- New Teacher Saturday Institute training of the California Teaching Standards, sponsored by BTSA
- Literacy Training provided by the District on the adopted curricula
- Technology on-going training at the District (Compass Learning, United Streaming, Power Point Presentations, etc.)
- Full Option Science System (FOSS) hands-on science integration
- Teach for America Support Providers are assigned to new teachers enrolled in the TFA

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08
Suspensions	13.6	8.2	1.7	15.0	11.6	10.6
Expulsions	0.0	0.0	0.0	0.1	0.1	0.0

IV. School Facilities

Facility Conditions and Planned Improvements (School Year 2008-09)

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office. School facilities were constructed and are being renovated according to the Field Act requirements of the State Building Code that is heavily focused on earthquake safety. In the event that asbestos and lead containing building materials are found, they are managed and removed according to EPA and State and local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projected are completed in a timely manner.

School facilities are upgraded whenever possible to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District Maintenance and Grounds staff, in conjunction with day and night custodians, ensures the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance and grounds crews ensure that grass and landscaped areas are well maintained and that the school's buildings, grounds and play areas are safe for use.

All visitors are required to check-in at the school office. Fire drills and disaster procedures are specifically outlined and regularly updated and practiced. Safety programs include drug awareness, personal safety, and personal growth. To ensure a safe environment, the district provides extra yard duty supervisors, and all yard duty supervisors and school staff maintain a welcoming but controlled campus environment. The school grounds and playground are safe because they well-supervised by staff before, during, and after school.

Age of School Buildings

Although the main school campus was constructed in 1963, portable buildings have been added to accommodate the growing school population and diverse program needs.

Maintenance and Repair

District maintenance and facilities staff to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district's Board of Trustees has adopted cleaning standards for all schools in the district. The Leadership Team works daily with the custodial staff to maintain cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floors systems.

Modernization Projects

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

During the 2007-2008 school year, local Measure A funds and state-matching funds were used to renovate existing facilities. The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, School facilities were constructed and are being renovated according to the Field Act requirements of the State Building Code that is heavily focused on earthquake safety. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projects are completed in a timely manner. School facilities are upgraded whenever possible to support and maintain a safe, clean, and secure campus. Major projects for the past year included painting, heating, flooring, and roofing.

School Facility Good Repair Status (School Year 2008-09)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

Item Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Gas Leaks	√			No repairs are currently needed.
Mechanical Systems	√			No repairs are currently needed.
Windows/Doors/Gates (interior and exterior)	√			No repairs are currently needed.
Interior Surfaces (walls, floors, and ceilings)	√			No repairs are currently needed.
Hazardous Materials (interior and exterior)	√			No repairs are currently needed.
Structural Damage	√			No repairs are currently needed.
Fire Safety	√			No repairs are currently needed.
Electrical (interior and exterior)	√			No repairs are currently needed.
Pest/Vermin Infestation	√			No repairs are currently needed.
Drinking Fountains (inside and outside)	√			No repairs are currently needed.
Restrooms	√			No repairs are currently needed.
Sewer	√			No repairs are currently needed.
Playground/School Grounds	√			No repairs are currently needed.
Roofs	√			No repairs are currently needed.

Overall Summary of School Facility Good Repair Status (School Year 2008-09)

This table displays the overall summary of the results of the most recently completed school site inspection.

Item Inspected	Facility Condition			
	Exemplary	Good	Fair	Poor
Overall Summary	Excellent Condition			

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the [DataQuest](#) Web site.

Teachers	School			District
	2005-06	2006-07	2007-08	2007-08
With Full Credential	28	29	28	658

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Without Full Credential	0	1	2	98
Teaching Outside Subject Area of Competence	0	0	0	N/A

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2006-07	2007-08	2008-09
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2007-08)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the [NCLB Web site](#).

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	92.6	7.4
All Schools in District	96.9	3.1
High-Poverty Schools in District	97.1	2.9
Low-Poverty Schools in District	90.9	9.1

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2007-08)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	N/A	N/A
Library Media Teacher (Librarian)	N/A	N/A
Library Media Services Staff (paraprofessional)	0.5	N/A
Psychologist	0.5	N/A
Social Worker	N/A	N/A
Nurse	N/A	N/A
Speech/Language/Hearing Specialist	0.5	N/A
Resource Specialist (non-teaching)	1.0	N/A
Other Academic Coach	1.0	N/A

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Year 2008-09)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	100% SBE Approved SRA Open Court (2003) Open Court ELD Adopted in (2003) Hampton Brown Highpoint (2003) Sopris West Language! (2006)	0%
Mathematics	100% SBE Approved Saxon Math (2002) Prentice-Hall PreAlg (2002) McDougall-Littell Course 1(2002)	0%
Science	100% SBE Approved California Science (2006) Focus on Earth (2006)	0%
History-Social Science	100% SBE Approved History/Soc Sci for California (2006) The Ancient World (2006) The Medieval World & Beyond (2006)	0%
Foreign Language	N/A	N/A
Health	N/A	N/A
Visual and Performing Arts	N/A	N/A
Science Laboratory Equipment (grades 9-12)	N/A	N/A

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the [Current Expense of Education](#) Web page and teacher salaries can be found on the [Certificated Salaries and Benefits](#) Web page.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$4,120	\$412	\$3,708	\$54,956
District	N/A	N/A	\$8,491	\$63,248
Percent Difference – School Site and District	N/A	N/A	56.3%	13.0%
State	N/A	N/A	\$5300	\$64,702
Percent Difference – School Site and State	N/A	N/A	30.0%	15.0%

Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Services provided by the regular program to enable under-performing students to meet standards:

- ◆ Open Court assessments, teacher-made tests and Saxon assessments (analysis)
- ◆ Para-educators in special education provide individual tutoring, small group and ELD instruction.
- ◆ Literacy Coach (consultant)
- ◆ Resource Teacher
- ◆ Cross-age literacy buddies
- ◆ Supplementary materials are available, such as: leveled readers, Big Books, Books on Tape, Excel Math (Gr. 1 and 2), Hi-Low Readers (Gr. 3-5), poetry charts, Spelling books (Gr. 1-5), phonics books (Gr. 1 and 2), dictionaries, thesauruses, class sets of trade books, classroom library books, educational software. In some cases, Print Shop copies replace workbooks.
- ◆ In-services, release time, classroom/school visitations on a voluntary basis
- ◆ “Building capacity” through demonstration lessons, workshops and seminars as provided by consultants, literacy coach, Peer Coaches, administrator, and whenever possible, the classroom teacher.
- ◆ Field trips based on content standards
- ◆ Assemblies based on content standards
- ◆ GATE Coordinators and identified curriculum for GATE students; grade level GATE clusters
- ◆ Materials for RSP and SDC students
- ◆ Hands-on science materials (FOSS)
- ◆ Teachers’ professional library: videos, computer software, books
- ◆ Computers in the classroom
- ◆ Classroom libraries
- ◆ Compass Learning intervention computer program for reading and language arts
- ◆ After school programs: District Funds and the funds from the City of San Jose support the after-school services. Cureton offers two programs: LEARNS and INTERVENTION. The LEARNS program offers homework assistance, tutoring, and recreational activities. The INTERVENTION program promotes grade level and cross-age intervention classes, small group tutoring, and homework assistance by individual teachers. Primary focus for both programs is literacy and math.

Services provided by categorical funds to enable Under-performing students to meet standards:

- ◆ Literacy Coach Consultant
- ◆ Resource Teacher
- ◆ EL Liaison
- ◆ Cross-age literacy buddies
- ◆ Supplementary materials are available, such as: leveled readers, Big Books, Books on Tape, Excel Math (Gr. 1 and 2), Hi-Low Readers (Gr. 3-5), poetry charts, Scholastic News, Spelling books (Gr. 1-5), phonics books (Gr. 1 and 2), dictionaries, thesauruses, class sets of trade books, classroom library books, educational software.
- ◆ In-services, release time, classroom/school visitations, extra-duty pay to support assessment
- ◆ “Building capacity” through demonstration sessions, workshops and seminars as provided by consultants, peer coaches, administrator, and whenever possible, the expertise of a classroom teacher.
- ◆ Field trips based on content standards
- ◆ Assemblies based on content standards
- ◆ GATE Coordinators and identified curriculum for GATE students; grade level GATE clusters
- ◆ Supplemental materials for RSP and SDC students
- ◆ Hands-on science materials (FOSS)
- ◆ Support for the standards-based science program
- ◆ Teachers’ professional library: DVD’s (Love and Logic), CD’s, videos, computer software, books

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the [Certificated Salaries and Benefits](#) Web page.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$45211	\$40667
Mid-Range Teacher Salary	\$70385	\$66167
Highest Teacher Salary	\$82154	\$84142
Average Principal Salary (Elementary)	\$94543	\$104640
Average Principal Salary (Middle)	\$99083	\$107227
Average Principal Salary (High)	\$108,995	\$131,881
Superintendent Salary	\$190266	\$167564
Percent of Budget for Teacher Salaries	41.2 %	42.3 %
Percent of Budget for Administrative Salaries	7.4 %	5.4 %

IX. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the [Standardized Testing and Reporting \(STAR\) Results](#) Web page.

CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State		
	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08
English-Language Arts	36	32	33	33	33	35	42	43	46
Mathematics	37	42	45	38	41	43	40	40	43
Science	16	6	35	21	27	37	35	38	46
History-Social Science	N/A	N/A	N/A	25	27	29	33	33	36

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

CST Results by Student Group – Most Recent Year

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Group	Percent of Students Scoring at Proficient or Advanced			
	English-Language Arts	Mathematics	Science	History-Social Science
African American	*	*	N/A	N/A
American Indian or Alaska Native	*	*	N/A	N/A
Asian	47	68	*	N/A
Filipino	45	58	*	N/A
Hispanic or Latino	28	41	31	N/A
Pacific Islander	N/A	N/A	N/A	N/A
White (not Hispanic)	*	*	*	N/A

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Male	28	44	36	N/A
Female	34	46	33	N/A
Economically Disadvantaged	31	44	33	N/A
English Learners	23	41	13	N/A
Students with Disabilities	2	15	*	N/A
Students Receiving Migrant Education Services	*	*	N/A	N/A

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2007-08)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting the healthy fitness zone on all six fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the [Physical Fitness Testing](#) Web page.

Grade Level	Percent of Students Meeting Healthy Fitness Zones
5	24.4
7	N/A
9	N/A

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the [API](#) Web page.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. These ranks are published when the Base API is released each March. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	2	3	3
Similar Schools	3	5	6

"N/A" means a number is not applicable or not available due to missing data.

"*" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

"A" means the school or subgroups scored at or above the statewide performance target of 800 in 2008.

"B" 6046189

"C" means the school had significant demographic changes and will not have any growth or target information.

"D" means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

school. Target information is not applicable to LEAs, ASAM schools, or special education schools.

"E" indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			Growth API Score
	2005-06	2006-07	2007-08	2008
All Students at the School	38	-2	18	729
African American	N/A	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A	N/A
Asian	N/A	N/A	N/A	N/A
Filipino	N/A	N/A	N/A	N/A
Hispanic or Latino	37	4	14	713
Pacific Islander	N/A	N/A	N/A	N/A
White (not Hispanic)	N/A	N/A	N/A	N/A
Socioeconomically Disadvantaged	34	4	14	718
English Learners	42	8	16	711
Students with Disabilities	N/A	N/A	N/A	N/A

"N/A" means a number is not applicable or not available due to missing data.

"*" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

"A" means the school or subgroups scored at or above the statewide performance target of 800 in 2008.

"B" means the school did not have a valid 2007 Base API and will not have any growth or target information.

"C" means the school had significant demographic changes and will not have any growth or target information.

"D" means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education school. Target information is not applicable to LEAs, ASAM schools, or special education schools.

"E" indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

Adequate Yearly Progress

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
Percent proficient on the state's standards-based assessments in ELA and mathematics
API as an additional indicator
Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the [AYP](#) Web page.

AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	N/A	N/A

Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the [AYP](#) Web page.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2008-2009	2004-2005
Year in Program Improvement	Year 1	Year 3
Number of Schools Currently in Program Improvement	N/A	8
Percent of Schools Currently in Program Improvement	N/A	28.6

XI. School Completion and Postsecondary Preparation

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the [University of California](#) Web site.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the [California State University](#) Web site.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data is available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the [DataQuest](#) Web site.

Indicator	School			District			State		
	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07
Dropout Rate (1-year)	N/A	N/A	N/A	N/A	N/A	N/A	3.1	3.5	4.4
Graduation Rate	N/A	N/A	N/A	N/A	N/A	N/A	85.0	83.0	79.5

Completion of High School Graduation Requirements

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2007-08 school year in the 12th grade, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the [CAHSEE](#) Web page. Note: "N/A" means that the student group is not numerically significant.

Group	Graduating Class of 2008		
	School	District	State
All Students	N/A	N/A	N/A
African American	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A
Asian	N/A	N/A	N/A
Filipino	N/A	N/A	N/A
Hispanic or Latino	N/A	N/A	N/A
Pacific Islander	N/A	N/A	N/A
White (not Hispanic)	N/A	N/A	N/A
Socioeconomically Disadvantaged	N/A	N/A	N/A
English Learners	N/A	N/A	N/A
Students with Disabilities	N/A	N/A	N/A

Career Technical Education Programs (School Year 2007-08)

This section provides information about the degree to which pupils are prepared to enter the workforce, including a list of career technical education (CTE) programs offered at the school.

Currently, the district is negotiating with the local Trades Union and the feeder high school district to establish a vertical slice career technical educational program partnership which will provide students with structured pathways for immediate entry into technical apprenticeships; prepare them for additional vocational training; and or prepare them to enter 4-year college/university technical programs. However, at this time, there are no Career Technical Education Programs at this school. However, technology is integrated into all curriculum areas to enhance instruction and provide opportunities for students to participate in project-based assignments as well as to provide them with the skills that are necessary to compete for jobs in a technology-based society.

Career Technical Education Participation (School Year 2007-08)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of the school's pupils participating in CTE	N/A
Percent of the school's pupils completing a CTE program and earning a high school diploma	N/A
Percent of school's CTE courses sequenced or articulated between the school and institutions of postsecondary education	N/A

Courses for University of California and/or California State University Admission (School Year 2007-08)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment, in and completion of, courses required for UC/CSU admission can be found at the [DataQuest](#) Web site.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	N/A
Graduates Who Completed All Courses Required for UC/CSU Admission	N/A

School Accountability Report Card Reported for School Year 2007-08 Published During 2008-09: Horace Cureton Elementary School

XII. Instructional Planning and Scheduling Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional development opportunities for staff members are multifaceted and clearly and consistently linked to the state's standards and the school's core values. Professional development is driven by student data and directly linked to teaching and learning. All professional development opportunities are personalized to address the needs of all teachers, staff, and administrators. Not only do professional development activities for teachers reflect a best practices approach, but they also align with the California Standards for the Teaching Profession. Teachers and staff participate in professional development that is aligned with their individual needs at multiple levels. At the school level, professional development is structured to have a generalized focus (e.g., standards-based instruction), and specific facets of the professional development program (e.g., specific instructional strategies) are personalized to address the specific content area dynamics and needs. The district also offers a multitude of professional development opportunities and teachers have multiple opportunities to select from a menu of ongoing staff development opportunities to broaden their knowledge, enhance their classroom management skills, and learning support strategies. Teachers have multiple opportunities to participate in District workshops; attend conferences; participate in District-sponsored new teacher workshops on classroom management, teaching and learning, etc.; in the Beginning Teacher Support and Assessment Program (BTSA); Peer Assistance and Review (PAR); and many literacy and teaching and learning seminars. In addition, many teachers take professional growth classes at local colleges and universities and attend workshops offered by the Santa Clara County Office of Education. Teacher selection for paid professional development activities is predicated on the value of the activity to identified student learning needs, teacher needs (based on assignment and performance data), and resource availability. To ensure that all school staff have the same opportunities for ongoing learning, the district offers classified staff a number of professional development activities that are designed to address their individual job descriptions. For example, classes are offered in Excel, eSchoolPlus, and other computer applications; safety and organizational maintenance; landscaping; and computer maintenance and repair. Similarly, administrators are offered ongoing professional development through their monthly meetings, professional organizations (Association of California School Administrators), and conferences.

To ensure that professional development opportunities are effective, teachers and administrators regularly analyze data and use their findings to inform decisions regarding teaching and learning, use of time, and overall professional development program integrity. To support teachers to implement new strategies, the site administrator makes frequent classroom visits and provides timely feedback to increase instructional effectiveness. In addition, the district employs literacy and math coaches who are available to work with teachers in developing and implementing appropriate and innovative instructional strategies that are aligned with the California Standards, are infused with higher level thinking skills, and are differentiated to accommodate the needs of all students.

Because teachers share "best practices" and work towards common goals, collaboration and collegiality permeate the school culture. Consequently, teachers, as a group, realize the need to reach consensus about curriculum, instruction, discipline, teacher and program evaluation, and school operations. School wide and grade-level meetings are held routinely so that teachers can continue to work on professional development to support school-wide efforts to align curriculum with rigorous state content standards as well as to provide instructional support for literacy and differentiation to assure the achievement of all students. In addition to collaborating with their peers, our teachers also collaborate with middle schools to articulate curricula, gather data on student performance with which to refine the instructional program, share best practices, and gain new perspectives.
