Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2013-14 Academic Performance Index Reports Information Guide located on the CDE API Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

School Description and Mission Statement- Most Recent Year

Russo/McEntee Academy is a learning community that emphasizes literacy, science and technology. The latter component is realized through the installation of interactive Promethean whiteboards throughout the school. This technology is complemented by the presence of traveling laptop carts that allow every student in a classroom the opportunity to explore the virtual world simultaneously with his or her peers. Teachers are charged with the task of infusing the curriculum with the latest software. Our dedicated and passionate faculty creates a nurturing environment for learning. Each student is encouraged to build on his/her strengths, find a love of learning and develop personal responsibility.

A home-to-school connection is essential for student success. Russo/McEntee staff is focused on getting parents and guardians actively involved in the school and classrooms. Families are invited to attend Parent Cafes with the Principal monthly to allow for community input and an exchange of ideas. Working together will help our students be successful.

Russo/McEntee Academy is a BEST Behavior school. Students follow our three main tenets of Be Safe, Be Respectful, Be Responsible. Students demonstrating these are rewarded with sand dollars which are put into a bi-weekly raffle.

A. Conditions of Learning

State Priority: Basic

Russo/McEntee Academy 2013-14

School Accountability Report Card

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

School Facility Conditions and Planned Improvements - Most Recent Year

The district makes every effort to ensure all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

The building in which Russo/McEntee Academy resides was built in 1956. School facilities are being renovated according to the Field Act requirements of the State Building Code with a focus on earthquake safety. In the event that asbestos and lead containing building materials are found, they are removed according to Environmental Protection Agency (EPA), State, and local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings.

Needed repairs and maintenance projects are completed in a timely manner.

Whenever possible, school facilities are upgraded to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are utilized to support stakeholders' needs and the instructional program. The Alum Rock School District maintenance staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance crews ensures that grass and landscaped areas are well maintained, and that the school's building, grounds and play areas are safe for use.

School Facility Good Repair Status - Most Recent Year

Using the most recent FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The Overall Rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Students with Disabilities			

Note: 'N/D' means that no data were available to the CDE or LEA to report. 'B' means the school did not have a valid API Base and there is no Growth or target information. 'C' means the school had significant demographic changes and there is no Growth or target information.

State Priority: Other Pupil Outcome

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of English, mathematics, and physical education.

California Physical Fitness Test Results (School Year 2013-14)

Grade Level	Percent of Students Meeting Four of Six Fitness Standards	Percent of Students Meeting Five of Six Fitness Standards	Percent of Students Meeting Six of Six Fitness Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement - Most Recent Year

Russo/McEntee Academy values and includes stakeholders in all facets of the educational process. To encourage parent participation, Russo/McEntee maintains a system of two-way communication and employs a variety of ways to increase stakeholder communication. Not only is the School Accountability Report Card (SARC) available on the district's website, but pertinent school information, including results of the school evaluation process, school data, and school programs are also available to parents in the monthly Principal's Newsletter, which is written in English and Spanish. Because parent and community participation is essential to student achievement, Russo/McEntee Academy provides a number of parent and community involvement opportunities including a monthly "Coffee with the Principal". In addition, parents and guardians are working to get a PTA started again.

School Site Council Meetings and English Language Advisory Committee meetings are held monthly and are open to all parents and guardians of Russo/McEntee students. Parents can also volunteer to assist in the classrooms, help with fundraising events, chaperone fieldtrips, and assist with other school events.

For more information regarding parent involvement, please contact Tereasa Smith at 1-408-928-8906.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan - Most Recent Year

Russo/McEntee Academy has a very detailed, comprehensive school safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. The plan was approved in February 2013 and will be revised next month. It contains the yearly safety goals as determined by the students, staff, and parents. The Russo/McEntee Safety Committee develops the safety plan before it is presented to the Alum Rock Union Elementary School District Board of Trustees for annual approval.

The safety plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared, completed, and shared with the staff. This year we collected all necessary equipment and supplies to prepare ourselves for a major earthquake.

The Russo/McEntee Safety Plan has a comprehensive behavior policy. The "Best Behavior" set of rules and consequences have been developed. Our dress code policy, set of protocols for safety/emergency drills, tardy policy, attendance policy, referral policy, non-discriminatory policy on student rights and responsibilities, campus security policy, harassment policy, conflict management policy, Internet safety policy, and an intervention policy are within our safety plan and accessible to all.

Types of Services Funded (Fiscal Year 2013-14)

Services provided by the regular program to enable under-performing students to meet standards:

During the day intervention programs in reading, language arts and math for students who are performing below their current grade-level.

English Language Development (ELD) instruction using the Imagine It! curriculum is offered to English language proficiency levels 1, 2 and 3 to provide focused instruction at students' language acquisition level.

Before-school and after-school intervention sessions are offered to help enable under-performing students meet grade-level standards.

To meet the needs of under-performing students, the Student Study Team (SST) meets regularly to support the teachers.

Services provided by categorical funds to enable under-performing students to meet standards:

A One Yard coach teaches game skills and sportsmanship like conduct during all recesses. The coach teaches students games at their appropriate age-level. Moreover, the coach builds leadership skills in older students by training Junior Coaches to monitor and teach younger students game rules.

Think Together and Russo/McEntee Academy are in a partnership that provides the 21st Century/Learns Program. The partnership offers a three-tier program: homework center, recreation, and multi-cultural art enrichment. The program serves 100 students for 3 hours each day.

A science resource teacher is funded through federal monies to teach third, fourth and fifth grade students daily.
