School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Our mission is that all students will succeed in mastering the Common Core State Standards for their grade level, achieve to their fullest potential in their future endeavors, develop into confident and caring citizens, and apply their knowledge to everyday life situations. We believe all students can attain 21st century skills and be prepared for success in college and careers. We believe that all students are capable of learning and becoming contributing members of our global society.

Lyndale Elementary School is the hidden gem of the Alum Rock Union Elementary School District. It is a beautiful and spacious campus where we offer our students an educational program that incorporates Common Core and prepares our students to compete on a global stage. We pride ourselves on a strong academic program that includes music and art. Teacher, parents, and students work together to create a rigorous and engaging learning environment. Our focus is on all children being redesignated on CELDT by the time they enter middle school. We incorporate backwards planning and language supports so our students will score at or above grade level on writing assessments and show yearly improvement on the Smarter Balance Assessment.

We have a positive school climate by believing in a Growth Mindset, incorporating PBIS, and the Lions Laws to Live By. We believe in living Responsibly, Kindly, and Safely. At Lyndale, we BELIEVE in each other and our ability to come to school each day and achieve excellence. We INSPIRE each other to learn and to grow as scholars and future leaders. We RESPECT each other, our school, our world, and ourselves. We CREATE a school that is peaceful, welcoming, and gives all of us a chance to make the world a better place. We are dedicated in helping all our children succeed.

School Facility Conditions and Planned Improvements (Most Recent Year)

Lyndale School was built in 1960. School facilities are upgraded whenever possible to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District maintenance staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance and grounds crews ensure that grass and landscaped areas are well maintained and that the school's buildings, grounds and play areas are safe for use.

Lyndale School completed its partial renovation during the 2010 summer. The renovation included installing air conditioning and heating in all rooms and cafeteria, installing new picnic tables, installing new perimeter fencing and gates, and redesigning and landscaping the parking areas and school approach. The upgrades in 2010 have made Lyndale's presence in the neighborhood welcoming and inviting. During the 2016-16 school year the fibar under the play equipment in the Kindergarten playground was refreshed. The 1st-5th grade playground fibar and the wooden borders for both play areas need be replaced and/or refreshed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	38	44	39	40	48	48
Mathematics (grades 3-8 and 11)	23	27	30	33	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	211	206	97.63	43.69

Students with Disabilities	20	20	100	15
Students Receiving Migrant Education Services	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	13	2.9	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

At Lyndale we provide many opportunities for parents to participate. We have a computer class for parents and will start an English class in January. We have had Back-to-School Night, and will have an Open House in May that will include an Art Show and performances by our Mariachi band and choirs. Parents are involved in School Site Council, ELAC, and once a month Parent Coffees. Parents helped out at our first Harvest Festival in November. They also support and help at our Walk-a-Thons. Parents chaperone field trips. We have parents attending DELAC and DAC meetings at the district. A newsletter in English and Spanish is sent home one to two times a month and we have frequent updates via parent link. We will have a Science Night, a Literacy Night and a Math Night planned for later in the school year. Lyndale is part of the Visual and Performing Arts (VAPA) cluster and there are two showcases a year. We have a long standing tradition of parents coming to school for lunch with their students. On rainy days, tables are set aside for parents in the cafeteria. We take pride in having an office that is always welcoming and open to parents.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

School Safety Plan (School Year 2017-18)

Lyndale School is diligent in maintaining a safe environment for students, families, and staff. To maintain safety during the school day, all perimeter gates are locked during class times and visitors are required to check-in at the Lyndale School office. School staff monitors the school grounds throughout the school day. The school grounds and playground are well-supervised by staff before, during, and after school. To ensure playground safety at noontime, the district provides additional yard duty supervisors. The school custodians efficiently keep the school's campus free of litter and debris, the cafeteria tables and floors scrubbed, and the classrooms and restrooms clean and ready for student use.

During the summer of 2010, the number of handicap access ramps and parking spaces were increased making the school more accessible to its handicapped students and adults. New fencing and gates were also installed around the perimeter of the school, making the campus less available to late night and weekend graffiti and vandalism.

Lyndale Elementary School has a very detailed, comprehensive School Safety Plan that is revised and updated for each school year. The plan was Board approved in February 2013. The Safety Plan outlines protocols, systems, and procedures in the event of any/all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is reviewed annually by the Lyndale School Site Council before it is presented to the Alum Rock Union Elementary School District Board of Trustees for annual approval. The Safety Plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills (earthquake, fire, safety) are calendared and completed, and the results are shared with the staff. The plan provides for training in health and safety, emergency procedures, Code Red/Lock Down Training, first aid and communication, dealing with blood-borne pathogens, and child abuse and neglect. Lyndale School continues to use the established procedures to evaluate and educate the school's staff and students in their ability to respond efficiently and effectively to emergencies and/or disasters.

The Lyndale Safety Plan contains comprehensive protocols for safety/emergency drills, Internet policy, and nondiscriminatory policy on student rights and responsibilities.

Types of Services Funded (Fiscal Year 2016-17)

Lyndale Elementary School provides the following categorically funded services to enable under-performing students to meet standards:

The San Jose City After-School Program provides homework support and after-school care

Little Heroes provides structured and instructed game time, build leadership with fourth and fifth graders, encourage responsibility, and peer cooperation through physical activity

There is training for teachers in differentiated instructional practices in the areas of reading and math and is offered in order to meet specific needs of students performing below proficiency levels

A Title I Instructional Coach serves as a resource to classroom teachers to provide best practices and teaching strategies to meet the needs of students scoring below the 30th percentile

Staff training and updating of technology which supports teachers in raising the level of achievement of our students scoring below proficiency levels

School subscriptions to online educational resource programs such as RAZ Kids and Accelerated Reader

Analysis of data by our teachers, in collaboration with our Title I Instructional Coach, to monitor the progress of our at-risk students and our English learners in order to recommend changes in teaching strategies in cases where students fall behind.

Parent workshops relating to parenting, student academic success, English language classes, and student and family health class
Substitute teachers, allowing classroom teachers to attend trainings, meet collaboratively, and observe model lessons

Library books and library time and related materials to facilitate learning and to enrich the curriculum

Student field trips and assemblies

Professional Development (Most Recent Three Years)

Lyndale's primary area of focus for staff development for 2017/2018 is on Math. We want 50% of our students to be at or above grade level on iReady Math at the end of the year Benchmark. We want our third, fourth, and fifth graders to gain 10% on the SBAC subtest: Concepts and Procedures.

Teachers are supported through grade level collaborations and district meetings. We will have staff development at school on Close Reading, ELD and ELA Standards and backwards planning. We have scheduled release days for all our teachers to provide extra planning time. Teachers are attending PDs offered by the district. We will look at the benefit of using Khan Academy and Reflex Math.

The staff development plan is coordinated by the district Curriculum and Instruction Department in accordance with district and site priorities. Staff development days at the beginning of the school year were used to inservice new and returning teachers. Additional staff development was conducted throughout the year after school. The principal and instructional coach provided staff development opportunities for the Lyndale staff on several occasions.

Teachers throughout the district are provided with opportunities to develop and expand their knowledge and skills. Through in-house training and countywide conferences, teachers were encouraged to attend inservices that promote best practice strategies in both literacy and mathematics. Both teachers and administrators were offered training in the following areas: Benchmark Advance, enVision Math, Constructed Meaning, a TKPLC, Guided Reading, Technology, Guided Reading, Read Well and Language Live.
