

2019-2020 INTERNATIONAL STUDENT DEVICE SERVICE

In order to promote the development of strong English skills, all international students are required to use a device that was purchased in the US and has English as the primary language. This will enable each student to become fully immersed in the English language as well as allow all faculty and staff to offer the same level of support.

Tilton School is offering to assist with the purchase and setup of a device so it will be ready upon arrival. If you are interested, please check one of the following:

- \$450** 13" Chromebook with these minimum specifications:
4GB RAM
16GB Storage

- \$1,200** 13" Microsoft Windows Laptop with these minimum specifications:
8GB RAM
256GB Storage

- \$1,600** 13" Apple MacBook Air with these minimum specifications:
8GB RAM
128GB Storage
AppleCare+

THE INTERNATIONAL STUDENT LAPTOP SERVICE FEE IS A NON-REFUNDABLE CHARGE.

Students who withdraw or are dismissed from school will not be eligible for a refund of the International Student Laptop Service fee. Once possession of the device has been transferred to the student upon arrival at Tilton School, the student and his/her family assumes ownership of the device and Tilton School holds no liability or responsibility for the maintenance, upgrade, and repair of the device.

I/We contract to have Tilton School provide this service for my student, _____ . I/We understand and agree to pay the fee associated with the choice of the device indicated above. This International Student Device Service contract between the undersigned parents/guardians and Tilton School becomes valid upon the receipt of this returned signed International Student Device Service contract AND the receipt of the payment.
