

Schoology Parent Log-In Information:

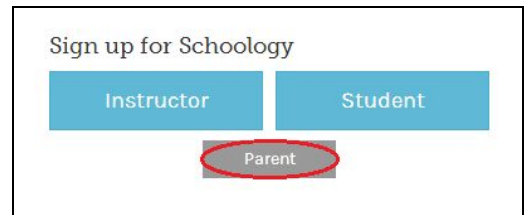

Parent involvement is a critical component to academic success. Thanks for signing up for an account! Schoology enables students and parents to stay up to date on K-12 events, information & course content.

Curricular Information in Schoology: Possible content - Course Calendars, Announcements, Documents, Assignments, Quizzes

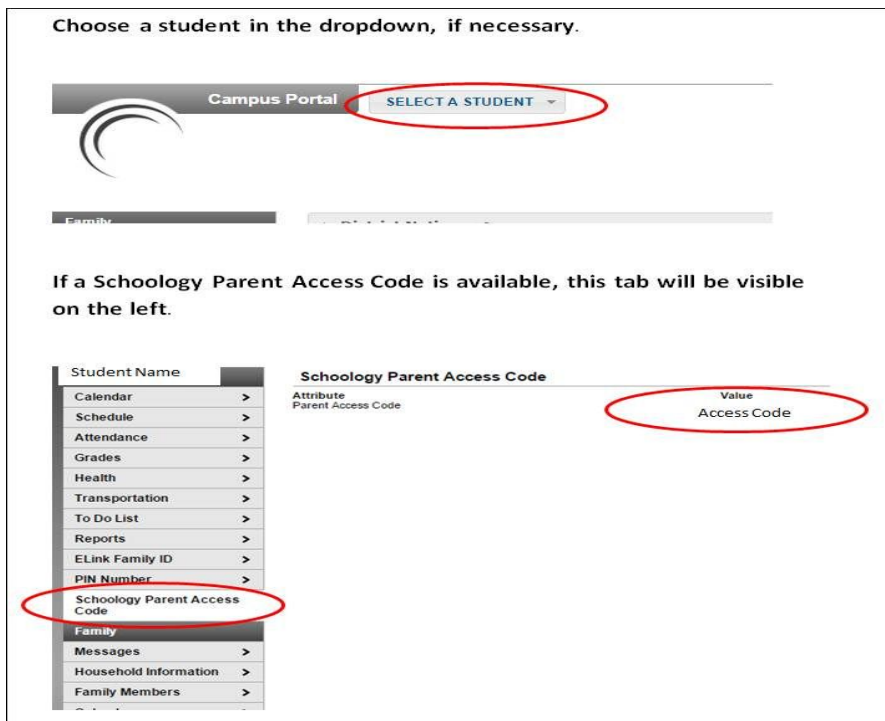

Student Information in Campus Portal: Schedules, Grades, Attendance, Food Services, Health Information, Schoology Access Code

Create a new Parent account

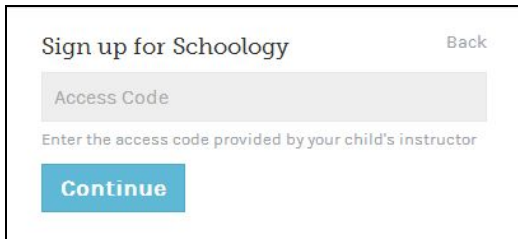

If you don't already have a Schoology account, go to www.schoology.com and click on the Sign Up button on the top menu (or go to www.schoology.com/register).

1. Click on the Parent button.
2. Enter your Access Code. This code can be found on [Campus](#).

3. Once you've returned to Schoology and filled out the access code, complete the rest of your registration information.
4. Click Register to complete.

Sign up for Schoology Back

Access Code

Enter the access code provided by your child's instructor

Continue

When you use a Parent Access Code to create an account, you will be automatically associated to the student. If you have multiple students in Eden Prairie, you can associate all of them to one parent account. Once you are logged in to your parent account you will see a button on the right that says "add child." Click there and enter other students' access codes. These associations are good for as long as you and your students are in Eden Prairie Schools.
