

### Articulation Agreement

Between Community College of RI and Fisher College

1. Fisher College assures the acceptance of a Community College of RI Early Childhood (CCRI) graduate who has earned a grade point average of 2.0 or higher (on a 4.0 scale) in to their Bachelor of Science in Human Services: Early Childhood Education & Early Intervention Concentration.
2. Transfer students will receive academic credit for all college-level courses applied toward the requirements of the bachelor degree, accepting grades of C- or higher. A maximum of 73 credits will be accepted for transfer.
3. CCRI courses have been evaluated for equivalency for college credit and will be accepted according to Transfer Table – Exhibit A.
4. CCRI will assure the curriculum as identified below is taught according to the syllabus provided and by a properly credentialed faculty member (bachelor's degree required, master's degree preferred) including both academic and professional credentials.
5. Non-credit or remedial courses adjudged to be below college level may not be accepted for transfer.
6. It is understood that if a student does not have the foundation or skill to enroll in an upper level course because he/she has not taken introductory courses, he/she will be required to take the necessary prerequisite(s). Therefore, Fisher College cannot assure every student the completion of requirements for the bachelor degree in 4 semesters.
7. The Fisher College catalog contains all information about the degree requirements. Students wishing to plan their bachelor degree program to ensure meeting prerequisites for upper level courses are encouraged to communicate early with an admissions counselor at Fisher College to secure specific information about their transfer credits.
8. This agreement will be reviewed bi-annually and may be revised by mutual agreement.
9. Both colleges agree to the right to use each other's names in print materials and media advertising. All materials must be approved by the respective communications and/or marketing offices at the partner college.
10. This agreement is expected to continue in force indefinitely but may be terminated by either party with not less than one year's notice.
