2. Transfer students will receive full academic credit for their conferred Associate in Science in Nurse Education degree credits from Massasoit Community College.

4. Massasoit Community College will assure the curriculum as identified below is taught according to the materials provided and by a properly credentialed faculty member (master's degree required, doctorate degree preferred) including both academic and professional credentials.
5. Non-credit or remedial courses adjudged to be below college level may not be accepted for transfer. ESL courses are not accepted for credit.
6. Therefore, Fisher College cannot assure every student the completion of requirements for the bachelor degree in 4 semesters.

Students wishing to plan their bachelor degree program to ensure meeting prerequisites for upper level courses are encouraged to communicate early with an admissions counselor at Fisher College to secure specific information about their transfer credits.
8. This agreement will be reviewed bi-annually and may be revised by mutual agreement.
9. Both Fisher College and Massasoit Community College agree to the right to use each other's names in print materials and media advertising. All materials must be approved by the respective communications and/or marketing offices at the partner college.
