

AP ART STUDIO 2019–20

Summer Assignments

Part 1: Start a sketchbook (or add to one that you already have). You should fill at least 12 pages over the summer. When using a sketchbook rules don't apply – you can use any medium, paste words, write about your feelings, draw and redraw! We will be using prompts throughout the year to fill pages in your sketchbook, but I would like you to use it at your own discretion over the summer. The most important thing is to spend some time every day recording in it – draw what's around you or something from memory. If you are struggling, you may choose from these ideas:

- Kitchen sink with dishes in it
- Insects
- A pile of pillows
- Park
- View from car mirror
- What was for dinner
- 5 drawings on top of each other
- Abstract drawing of a building
- Opposites
- The senses
- Fill a plastic bag with objects and draw
- Metallic objects
- A tiny image repeated several times

Part 2: Create a collage about YOU. The purpose of this assignment is to help you develop your scope of work for your Portfolio. The collage can be a mixture of any materials. Your collage should include images/words/items about :

Your family

Your interests/passions/your favorite things

A social topic that interests you

An artist that inspires you

A location that you want to visit or already have

Your 3 favorite foods

3 images that inspire you (you don't have to have a reason for them)

Part 3: Gather 5 works of art that you have completed in the last year. Bring those with you to the first day of class. This can include any 2D work (photography, drawing, painting, etc.)
