

Make 10

You need

- deck of Primary Number Cards (without Wild Cards)

- blank sheet of paper

Play with a partner.

- 1 Deal 4 rows of 5 cards, with the numbers showing.
- 2 Player 1 finds two cards that make 10. Player 1 takes the cards and records the combination of 10.
- 3 Replace the missing cards with 2 cards from the deck.
- 4 Player 2 finds two cards that make 10. Player 2 takes the cards and records the combination of 10.
- 5 Replace the missing cards.
- 6 Keep taking turns finding two cards that make 10 and recording.
- 7 The game is over when there are no more cards or there are no more cards that make 10.

More Ways to Play

- Play with the Wild Cards. A Wild Card can be any number.
- Replace the cards *only* when there are no more pairs that make 10.
- Find more than 2 cards that make 10.
