

Build and Remove

You need

- 2 number cubes or dot cubes
- 1 number cube (replace dots/numbers with -1, -2, and -3)
- Ten-frame mat
- Recording sheet

Play alone.

1. Roll number cubes or dot cubes.
2. Build that number on the ten frame.
3. Roll the cube with -1, -2, -3.
4. Remove that amount.
5. Determine what's left.
