

International Student Exchange

The board recognizes the value of cultural and academic exchanges. Such experiences provide international exchange students with a balanced understanding of our country and provide U.S. students with a broad world perspective.

Students visiting our state for a short stay (B-2 visa), such as a vacation or visit with friends or family, may not enroll in school in the district. However, with prior written permission from the school, these students may visit classrooms and attend school-sponsored events.

International exchange students who come to the U.S. for a long-term visit (J-1 or F-1 visas) with the intention of attending school may register to attend school in the district through a recognized international exchange program or through the sponsorship of a school.

The district will admit such international exchange students when admission does not adversely impact the instructional program of the district.
