*Note: Return from a Counseling Medical Leave of Absence is provisional. Final approval is dependent upon your receiving formal approval to return from Fisher College's Counseling Service. One month before your return, you should have your therapist complete a "Readiness to Return Form", and your therapist should send it to the Fisher College Counseling Services office. At the same time, you should call the College Counseling Services office to inform them of your intention to return. Once we have received a notice from them approving your return, your provisional clearance will be made permanent. If permission to return is not granted, or if we fail to obtain formal notification of approval for return from the College Counseling Office at least one week prior to the first day of classes in your semester of return, your provisional approval will be rescinded, and you will be withdrawn from all courses for that semester. Should this occur, any payments that have been applied will be refunded.*
