6. Time to get started! Your assignments might be different, but click on the assignment that you're given. Show your work in your journal.

Alg 1 (p4)

- Video Help 2: Two-Step Equations**
- 2.2a Two-Step Equations Use LatePass**
- 2.2b Two-Step Variable Subtracted Use LatePass**
- 2.2c Two-Step Fractions Use LatePass**

7. You get two tries with the exact same problem. After that, you need to click this to complete the problem. It will be the same, but different.

[Try another similar question](#)

Note: Be sure to follow the problem's directions. For example, some require reduced fractions

Note: The expectation is 100%. Retry until you are correct, or ask for

Note: If you have any questions or problems, the first thing I will say is "Let me see your journal." If there is work in your journal, I can help you.
