## FORM 515A2 NOTICE OF RIGHT TO REFUSE RELEASE OF PUBLIC DATA TO MILITARY RECRUITERS AND/OR POST SECONDARY EDUCATIONAL INSTITUTIONS

The School District will release the names, addresses, and home telephone numbers of students in grades 11 and 12 to military recruiting officers and/or post-secondary education institutions within sixty (60) days after the date of the request unless a parent or eligible student has refused in writing to release this data pursuant to Paragraph C. below.

Data released to military recruiting officers under this provision:

- may be used only for the purpose of providing information to students about military service, state and federal veterans' education benefits, and other career and educational opportunities provided by the military.
- cannot be further disseminated to any other person except personnel of the recruiting services of the armed forces.

**Paragraph C.** A parent or eligible student has the right to refuse the release of the name, address, or home telephone number to military recruiting officers and/or post-secondary educational institutions. To refuse the release of the above information to military recruiting officers and/or educational institutions, a parent or eligible student must complete this Form 515A2 (Notice of Right to Refuse Release of Public Data to Military Recruiters and/or Post-Secondary Educational Institutions) in the Office of Registration & Records.

**Please note:** The School District may disclose, to the general public, directory information from the education records of a student and information regarding parents without prior written consent of the parent/guardian of the student or eligible student.

Signing this form does not affect the School District's release of directory information to the rest of the public, which does include military recruiting officers. In order to make directory information about a student completely private, the parent/guardian/eligible student must complete Form 515A1 – Notice of Right to Refuse Release of Public Data.

I request that data **NOT** be disclosed as stated below.
