**USE OF RESTRAINT AND SECLUSION<sup>1</sup>**

**Section 1. Statement of Purpose**

1.1 It is the policy of this Barre Unified Union School District (BUUSD) that students not be subjected to inappropriate restraint or seclusion as defined by Vermont State Board of Education Rule 4500. It is the BUUSD's intent to create and maintain a positive and safe learning environment, and promote positive behavioral interventions and supports in BUUSD schools. This policy is further intended to assist in creating a common understanding within the BUUSD of appropriate interventions by BUUSD staff.

**Section 2. Definitions.** The following terms, as defined in State Board Rule 4500.3, shall apply to this policy.<sup>2</sup>

2.1 **Behavioral Intervention Plan** means a plan that details strategies to address behaviors that impede learning, or are ongoing, and do not readily respond to general intervention or classroom management techniques, by teaching pro-social skills and other positive replacement behaviors. The plan may include positive strategies, program or curricular modifications, and supplementary aids and supports required to address problem behaviors.

2.2 **Chemical Restraint** means a drug, medication or chemical used on a student to control behavior or restrict movement that is not:

- a. Prescribed by a student's licensed physician for the standard treatment of a student's medical or psychiatric condition; and
- b. Administered as prescribed by the licensed physician.

2.3 **Functional Behavioral Assessment** means the analysis of a student's behavior patterns before, during, and after rule-breaking or other inappropriate behavior for the purpose of guiding the development of a behavioral intervention plan.

---

<sup>1</sup> This model policy supersedes former model policy F26 on Restrictive Behavioral Intervention. It is intended to assist districts in ensuring compliance with the provisions of State Board of Education Rule 4500 on Restraint & Seclusion, which were adopted by the State Board at its February, 2011 meeting and will be effective on August 15, 2011. The State Board Rules do not require adoption of a policy by individual school boards, however the VSBA recommends that boards consider adopting a policy, based on this model, that requires compliance with the Rule 4500 and establishes criteria for the development of administrative procedures to implement practices consistent with the Rule.

<sup>2</sup> Each of the terms defined in this model policy is defined in State Board Rule 4500.3. At the board's option, the policy could refer to the Rule as the source for definitions of terms used in the policy. Including the definitions in the body of the policy might provide greater assurance that school staff will apply the correct definitions when implementing the policy and rules.

**2.4 Mechanical Restraint** means the use of any device or object that restricts a student's movement or limits a student's sensory or motor functions unless under the direction of a healthcare professional for medical or therapeutic purposes. The term does not include devices implemented by trained school personnel, or utilized by a student for the specific and approved therapeutic and safety purposes for which such devices were designed including:

- a. Restraints for medical immobilization,
- b. Adaptive devices or mechanical supports used to achieve proper body position, balance or alignment;
- c. Vehicle safety restraints including a seat belt or harness used for balance or safety on a car or bus; or
- d. Seat belts in wheelchairs or on toilets.

**2.5 Parent** means:

- a. A biological or adoptive parent of the child;
- b. A legal guardian of the child;
- c. A person acting in place of a biological or adoptive parent, including a grandparent, stepparent or other relative with whom the child lives, or a person legally responsible for the child's welfare;
- d. A foster parent or developmental home provider who has been appointed the educational surrogate parent by the Educational surrogate Parent Program; or
- e. An educational surrogate parent.

**2.6 Physical Escort** means the temporary touching or holding, without the use of force, of the hand, wrist, arm, or back of a student who is exhibiting minimal resistance for the purpose of directing movement from one place to another.

**2.7 Physical Restraint** means the use of physical force to prevent an imminent and substantial risk of bodily harm to the student or others. Physical restraint does not include:

- a. Momentary periods of physical restriction by direct person-to-person contact, accomplished with limited force and designed either
  - i. to prevent a student from completing an act that would result in potential physical harm to himself/herself or another person; or
  - ii. to remove a disruptive student who is unwilling to leave the area voluntarily;
- b. The minimum contact necessary to physically escort a student from one place to another;
- c. Hand-over-hand assistance with feeding or task completion; or
- d. Techniques prescribed by a qualified medical professional for reason of safety or for therapeutic or medical treatment.

**2.8 Positive Behavioral Interventions and Supports** means an approach to preventing and responding to targeted behavior that:

- a. Is based on evidence-based practices;

- b. Is proactive and instructional, rather than reactive;
- c. Can operate on individual, group, classroom, or school wide levels;
- d. Includes a system of continual data collection; and
- e. Relies on data-driven decisions.

2.9 **Prone Physical Restraint** means holding a student face down on his or her stomach using physical force for the purpose of controlling the student's movement.

2.10 **School** means a learning environment receiving public funds or over which the Vermont Department of Education has regulatory authority.

2.11 **School Personnel** means individuals working in schools as defined in 4500.3(10) who are employed by the school or who perform services for the school on a contractual basis, and school resource officers, while acting in that capacity.

2.12. **Seclusion** means the confinement of a student alone in a room or area from which the student is prevented or reasonably believes he or she will be prevented from leaving. Seclusion does not include time-out where a student is not left alone and is under adult supervision.

2.13 **Substantial Risk** means an imminent threat of bodily harm where there is an ability to enact such harm. Substantial risk shall exist only if all other less restrictive alternatives to defuse the situation have been exhausted or failed or the level of risk prohibits exhausting other means.

2.14 **Supine Physical Restraint** means holding a student on his or her back using physical force for the purpose of controlling the student's movement.

2.15 **Student** means a student enrolled in a school as defined in paragraph 2.10.
