Head of School Search Committee
June 2019 Update**

In late May, Mr. Bob Regan and Mrs. Barbara Daush, Senior Consultants with the search firm of Carney, Sandoe & Associates <https://www.carneysandoe.com/leadership-search/catholic-schools-practice> spent two days on the Cardinal Gibbons campus meeting with various stakeholders in order to begin the process of identifying candidates for the position of Head of School for Cardinal Gibbons High School.

Over those two days, Bob and Barbara met with 100 people who included:

- ❖ Students
- ❖ Parents
- ❖ Educators
- ❖ Administrators
- ❖ Alumni
- ❖ Board of Trustee Members
- ❖ Bishop Zarama
- ❖ Priests
- ❖ Dr. Fedewa, Superintendent of Catholic Schools
- ❖ The Head of School Search Committee

In early June, a survey was sent out to members of the Cardinal Gibbons Community to assist Carney, Sandoe & Associates in creating a pool of outstanding candidates who will serve as our next Head of School. Once candidates are identified, the Search Committee will begin the process of reviewing resumes and credentials in order to identify our top candidates for the position. On-site interviews will be conducted in the fall.

We will continue to keep the community updated on the progress of the search as we seek a leader who will advance our mission to form men and women of faith, service, and leadership in church and community.
