### **USER CHARGES**

Users of the facilities will be charged according to the appropriate rental schedule as defined on the application. Groups using the facilities will be charged for the services of district personnel required for supervision and/or custodial services. **NOTE:** Turf rental is charged from the time the gates are unlocked until the facility is cleared, not actual time on the turf. Rates are to be reviewed on an annual basis, or as directed by the Board of Directors of the school district.

Signed contracts, certificate of insurance and the total of estimated fees are required within 10 days of booking to secure your reservation. Final billing with actual usage times and equipment usage will be invoiced following the event. For multiple usage dates the estimate per day must be paid the week before each event.

### **PAYMENTS**

The application and certificate of insurance must be submitted at least ten (10) days prior to use to be considered. Any charges for use of the facility will be billed to the applicant by the Renton School District Business Office. Organizations, groups or individuals shall not make any payment directly to any school employee or make any individual arrangements with employees as to service charges.
