

APUS HISTORY
SUMMER ASSIGNMENTS

APUS History is a content heavy course and with the early date of the National Exam we need to get a head start on the material to be covered. The summer assignments are designed to put us in position to perform well on this exam. Benedictine scores have been strong over the years and we hope to continue this trend.

ASSIGNMENTS

1. Chapters 1-3 in America: A Narrative History 10th edition. Do the following:
 - A. read all three chapters
 - B. take extensive notes (in outline form) on these readings (I have included sample student notes).
 - C. complete the terms below (by highlighting them in the notes you take). For those terms that are not included in your notes, define them at the end of the chapter's notes in a separate section.
 - D. Related points
 - 1) You will be able to use your notes for **the test you take on chapters 1-3 during the first week of school.** Take extensive, quality notes.
 - 2) **All notes must be taken in FIVE STAR NOTEBOOK. THEY MUST ALSO BE HANDWRITTEN** (not typed).
 - 3) You will receive a grade for these notes and terms – this will be worth 40 points and will obviously help your overall grade if you do not do well on the first test.
 - 4) YOU DO NOT NEED TO USE ANY SOURCES OTHER THAN YOUR TEXTBOOK FOR NOTES (except for clarification of terms).

**If you have any questions please e-mail me (Mr. Gill) at dgill@benedictinecollegeprep.org.
