

If I have questions about my child's Special Education services, who do I contact?

Always begin your conversation with your child's teacher and special education case manager

Case Manager

If you are still concerned, contact your school's lead special education teacher

School's Lead Special Education Teacher

If you are still concerned, contact your school's Associate Principal or Principal or Program Coordinator for ECSE or TASSEL

Associate Principal, Principal, or Program Director

If you still have questions or are concerned, contact:

Director of Related Services

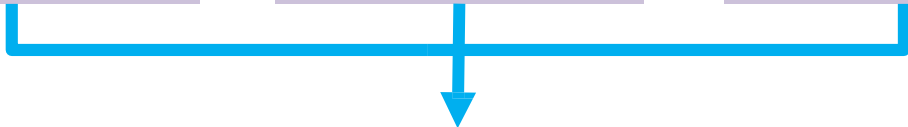

Nursing, Social Work, Psychologist, OT, DAPE, Assessment Team

Director of Specialized Services

Secondary special education, students served in a setting outside of our schools, English Learners

Director of Early Childhood / Elementary SPED

Elementary and Early Childhood Special Education

Senior Director of Student Support Services

Supervisor across all programs and services

Contact your school office to find out the name of the person in each role.
