

June 2019

Dear Parents/Guardians,

Happy Summer! In order to help your child maintain the progress he/she has made this school year, we have designed a calendar of activities to keep him/her engaged and thinking over the summer. We are also sending home a notebook for your child to use to draw, write, and record the calendar activities. Please encourage your child to complete one activity per day. Have your child bring his/her notebook on the first day of school. The children's work will be celebrated and displayed in their classrooms.

Thank you for your support and have a great summer!
