## Rising Third Grade - Summer Passport Activities - July 2019

Monday	Tuesday	Wednesday	Thursday	Friday
<p>1. Find 10 items in your house that are less than 10 feet long.</p> 	<p>2. Think of an ordinary household item, like a spoon. Think about the possible things that item could become. For example, the spoon could be a magic wand.</p>	<p>3. Read a bedtime story to your parent. Write the title in your journal.</p> 	<p>4. <b>Independence Day</b> Create as many new, smaller words as you can from "Independence Day." For example, words could be pen, man, dance, etc.</p> 	<p>5. Write down the years people who live with you were born. Put them in order from least to greatest.</p>
<p>8. Take a walk. Write or draw about the things you see that show summer is here!</p> 	<p>9. Write down on your calendar the time the sun sets today, and if you are up early, when it rises.</p> 	<p>10. Find something small enough to put in your pocket. Write or tell a story about it.</p> 	<p>11. Write a rap or poem about your favorite book.</p>	<p>12. Be a stamp collector. Design your own stamp for your passport to learning!</p> 
<p>15. Play a family game, like Monopoly that uses critical thinking and math skills.</p> 	<p>16. Help your family make a grocery shopping list. Estimate how much each item on the list will cost and then check it with what was paid.</p>	<p>17. Use items you might throw away or recycle and create something useful. Make a drawing of the item.</p> 	<p>18. Go outside and make a list of all the different types of birds, flowers, and insects you can find.</p> 	<p>19. Help an adult make dinner tonight including setting the table and washing dishes after dinner. Put any leftovers away in the fridge for safe keeping.</p>
<p>22. If you won the lottery, what might you do with the money you won? Write about it.</p>	<p>23. Create an outside game using household materials. Invite others to play with you.</p>	<p>24. Sit outside after dinner and listen to all the outside noises you hear. Write them down and share with an adult.</p>	<p>25. Play a card game with your family. Write about the experience.</p>	<p>26. Start a new book today and read for twenty minutes. Try to finish this book in two weeks...keep track in your journal.</p>
<p>29. Read an interesting nonfiction book. Share facts with a friend.</p>	<p>30. Play Addition Top-It with a family member. Use cards, dice, or even your fingers!</p>	<p>31. Solve 507 - 468 in your journal.</p> <p>Then add 1,000 to your answer.</p>		

## Rising Third Grade - Summer Passport Activities - August 2019

Monday	Tuesday	Wednesday	Thursday	Friday
			1. Try to figure out how many calories are found in the breakfast you had today.	2. Help plan and make dinner tonight and write about the experience.
<p>5. Find out how many windows, doors, closets, and lights there are in your house or apartment. Then list how many would be in five houses or apartments like yours.</p> 	<p>6. Try to figure out how many ways you can make \$1.00 with change and list in your notebook. Example: 2 quarters, 5 dimes.</p> 	<p>7. Add 20 to ten other numbers and show the number sentence with answers in your notebook. Example: <math>40 + 20 = 60</math></p> 	<p>8. Write about an adventure you had this week or this summer in your notebook.</p>	<p>9. Find out how many ounces are in a pound and how many ounces are in five to seven different things in your cupboard. Example: Chips 10 ounce bag.</p> 
<p>12. Write a short paragraph about your weekend and all the fun you had.</p> 	<p>13. Try to build something that is one foot high- either inside or outside.</p> 	<p>14. Draw a picture of your backyard and what you like doing there.</p> 	<p>15. Find at least ten to fifteen different geometric shapes around your house and list. Example: a can is a cylinder.</p> 	<p>16. Read a picture book with a grown up and write/draw your favorite part.</p> 
<p>19. Take a walk around your neighborhood and make a list of what you noticed. List about 20 different things.</p>	<p>20. Write 10 number sentences that equal 10. Example: <math>15 - 5 = 10</math></p>	<p>21. Make a geometric drawing in your notebook using different shapes.</p>	<p>22. Play a board game with a family member.</p>	<p>23. Write about the fun you had playing a board game yesterday.</p>
<p>26. List ten reasons why you are excited about school starting.</p> 	<p>27. List all the books you read this month. What was your favorite one? Why?</p> 	<p>28. Write about your hopes and dreams for third grade.</p> 	<p>29. Make a list of all your MATH strengths and what you want to learn in MATH in third grade.</p> 	<p>30. Write a short letter to your new third grade teacher about yourself.</p>
